

# AL-DINE®

**A CONCENTRATED IODINE DETERGENT-SANITIZER FOR THE DAIRY PLANT & FARM**

**ACTIVE INGREDIENTS**

Alpha-alkyl (C11-C15) omega-hydroxy poly (oxyethylene) - iodine complex (providing 1.75% titrable iodine) .....	15.75%
Phosphoric acid .....	13.50%
<b>INERT INGREDIENTS</b> .....	<b>70.75%</b>

**—Must Be Diluted Before Using—**

## CAUTION

**KEEP OUT OF REACH OF CHILDREN**

(See side panel for additional required precautions.)

**A & L LABORATORIES, Inc.**

Minneapolis, Minn. 55405

**Contents One Gallon**

## CLEANING WITH AL-DINE

### Milking Machines—

Immediately after milking, flush machine with lukewarm water.

Disassemble machine and place all parts (except pulsator), air hoses, inflations, and utensils in 25 ppm Solution AL-DINE (1 oz. AL-DINE to 5 gal. water).

Brush all parts thoroughly.

Rinse with cool water and allow to dry.

### Bulk Tanks—

Flush thoroughly with lukewarm water.

Wash with 25 ppm AL-DINE Solution, brushing well.

Drain and rinse with cool water.

U.S.D.A. REG. #3276-18      U.S. PAT. #2,977,315

Yellow stains on equipment after washing indicates presence of milkstone. A very strong solution of AL-DINE will remove this and continual use of AL-DINE will keep it off.

3276-18  
**ACCEPTED**

## **SANTIZING WITH AL-DINE**

### **Milking Machines—**

Prior to milking prepare 12½ ppm solution.  
(¼ oz. AL-DINE to 2½ gal. water)

Flush assembled milking machine with the above solution, for at least 2 minutes. Drain thoroughly.

### **Bulk Tanks—**

Brush, rinse, or spray tank with 12½ ppm solution, for at least 2 minutes. Drain thoroughly.

### **Restaurant Use—**

Scrape and prewash utensils and glasses whenever possible. Wash with good detergent. Rinse with clean water. Sanitize in a solution of ½ ounce to five gallons water (12½ ppm). Immerse all utensils for at least two minutes.

**NOTE:** Equipment must be clean before sanitizing.

**CAUTION:** Avoid contamination of Foods. Avoid contact with eyes. In case of contact with the eye, flush with plenty of water. If irritation persists, get Medical Attention. Harmful if swallowed. Avoid getting on the skin. Causes skin irritation.

**KEEP COOL -- KEEP FROM FREEZING  
KEEP BOTTLE CLOSED**
