Registration. Status may change in Status.

BACK PANEL

double power^R
Kills & Repels Roaches & Ants

Exclusive Jet Stream Spray gives you pin-point control to direct spray into cracks and crevices where roaches hide, nest and breed. Kills roaches fast and forms an effective barrier against reinfestation that lasts for weeks.

DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Hold can as upright as possible when spraying.
Remove or cover exposed food before spraying.

TO KILL AND REPEL ROACHES:

Spray on cracks and crevices, under sinks, behind pipes, on baseboards and in other places where roaches hide. Spray until surfaces are slightly wet. Avoid wetting of asphalt tile, rubber and plastic materials.

TO KILL ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS:

Spray in cracks, around baseboards, in plumbing openings, under sinks, cabinets and other areas where insects hide.

TO KILL FLEAS, FLIES, WASPS, GNATS, MOSQUITOES, FLYING MOTHS:

For fleas, remove and destroy animal's bedding and spray sleeping area. Direct spray into cracks in floor. For other bugs listed, spray outside surfaces of screens, doors, light fixtures, around window frames. Repeat as necessary.

PRECAUTIONARY STATEMENTS:

CAUTION: Harmful if swallowed. Contains petroleum distillates. Avoid contact with skin and eyes.

STATEMENT OF PRACTICAL TREATMENT:

If swallowed: Do not induce vomiting. Contains petroleum distillates. Avoid contact with skin and eyes.
If inhaled: Remove victim to fresh air--Apply artificial respiration if indicated.
If in eyes or on skin: Flush with plenty of water. If irritation occurs consult a Physician.

PHYSICAL & CHEMICAL HAZARDS:

FLAMMABLE--Contents under pressure. Do not use near heat, sparks, or flame. Exposure to temperatures above 130° F may cause bursting.

STORAGE AND DISPOSAL: Storage: Store in original container in areas inaccessible to small children. Disposal: Replace cap and discard in trash. Do not puncture or incinerate.
