d-CON stay/away outdoor fogger

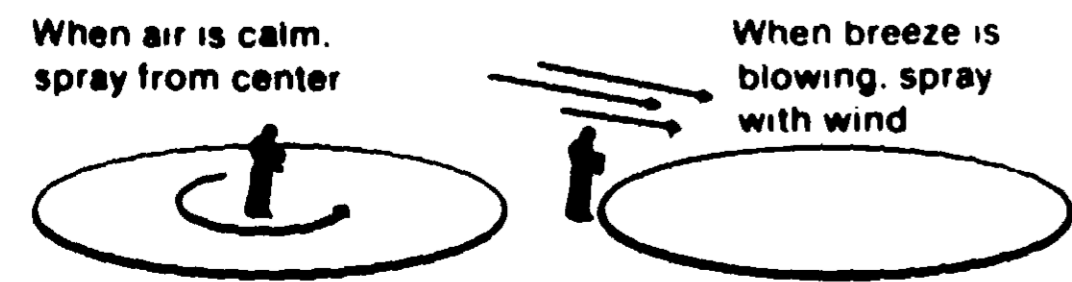

NEW CHILD-GUARDIAN CAP
 Keep out of the reach of children. As an extra measure of protection, this Child-Guardian Cap helps prevent activation by children age 4 and under. To activate, just press button as you would any aerosol - nothing to turn or twist.

Improved spray for better outdoor insect control when you enjoy the patio, yard, open porch or picnic area. Kills flying insects up to 20 feet away. Makes bugs stay away because it both kills and repels.

DIRECTIONS: Shake before using. Point valve opening away from face and angled slightly downward for best results. Use when air is calm or breeze is slight.

For flying insects: Flies (including DDT-resistant strains), Mosquitoes, Gnats, Hornets, Wasps, Flying Moths. Spray with the breeze and allow fog to drift over area. When treating grass or bushes stand at least 4 to 6 feet away and drift spray on area. Repeat as necessary.

For crawling insects: Ants, Crickets, Centipedes. Spray infested surface of patio or picnic area. Spray legs of tables and chairs to repel ants. Spray ant hills and trails thoroughly.

WARNING: Flammable! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 100°F

NEW CHILD-GUARDIAN

d-CON

stay away outdoor fogger

kills and repels

Kills: flying insects up to 20 feet away
Repels: mosquitoes, flies, gnats, ants

and chairs to repel ants. Spray ant hills and trails thoroughly

When air is calm,
spray from center

When breeze is
blowing, spray
with wind
