FINISHED LABELING

CHILD-GUARDIAN CAP
Keep out of the reach of children. As an extra
precaution, this Child Guardian Cap helps
prevent children from playing with the
accelerator button as you would not want
anything to turn on.

DIRECTIONS

INDOORS

For use indoors, spray the area to be treated with a fine mist. Spray the mist spray on the plants and foliage. Spray with slow sweeping motion. Spray 10 seconds for average growth, keep 2 to 3 feet from plants. Keep plants closed 10 minutes. Do not spray on treated areas. Irrigate the area after getting it completely wet.
To Kill Fleas and Ticks, spray the area with a fine mist. To Kill Mosquitoes, spray the area with a fine mist. To Kill Aphids, spray the area with a fine mist. To Kill Spider Mites, spray the area with a fine mist.

For use outdoors, spray the area to be treated with a fine mist. Spray the mist spray on the plants and foliage. Spray with slow sweeping motion. Spray 10 seconds for average growth, keep 2 to 3 feet from plants. Keep plants closed 10 minutes. Do not spray on treated areas. Irrigate the area after getting it completely wet.

For use on plants, spray the area to be treated with a fine mist. Spray the mist spray on the plants and foliage. Spray with slow sweeping motion. Spray 10 seconds for average growth, keep 2 to 3 feet from plants. Keep plants closed 10 minutes. Do not spray on treated areas. Irrigate the area after getting it completely wet.

OUTDOORS For use on Aster, Azalea, Begonia, Calla lily, Clematis, Dahlia, Delphinium, Gladiolus, Iris, Marigold, Petunia, Rose, Snapdragon, Tulip. Insects can be found below on Evergreens and Small Deciduous Trees, Shrubbery.

For best results spray in evening or on cloudy day when air is still. Use slow sweeping motion. Keep can 18 inches from plants. Avoid wetting foliage with spray. Spray at rate of 1 quart per second. For heavy growth, spray row on both sides. Spray with caution on new growth. Do not spray when temperatures exceed 90°. May be used outside to kill flies, mosquitoes, and other small flying insects. Fog sea heavily. Spray with breeze allowing fog to drift into shrubbery.

WARNING Contains a lighter pressure. Do not puncture. Do not use on store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator. May stain finished surfaces if sprayed too closely.

ACTIVE INGREDIENTS:
Diazinon (allyl homophosphorothioate) 0.25%,
Permethrin (piperonyl butoxide) 0.80%,
N-octyl bicycloheptane dicarboximide 0.40%,
Petroleum distillate 8.05%.

INERT INGREDIENTS:
87.50%
Equivalent to 0.64% (butylcarbitol) (p-propylperonyl) ether and 0.16% related compounds.
