

d-CON house & garden bug killer

d-CON house & garden bug killer kills bugs that fly and crawl indoors and out. Special MGK 264 additive increases power of killing ingredients in d-CON.

DIRECTIONS: Shake before using. Hold container upright. Apply in short bursts.

INDOORS: For Flies, Mosquitoes, Gnats, Flying Moths, close doors and windows. Cover or remove exposed food, utensils. Remove pets, birds and cover fish aquariums before spraying. Direct spray upward into center of room with slow sweeping motion. Spray 5-10 seconds for average room. Keep nozzle 3 feet from surface. Keep room closed 15 minutes. Do not remain in treated areas. Ventilate the area after treatment is completed.

To Kill Roaches and Waterbugs, spray baseboards, cracks, crevices, moist areas, openings around sinks, pipes, behind cabinets, where roaches hide.

For Ants, spray ant hills liberally. Spray ant trails around window frames, door sills, other locations.

For house plants, spray short bursts, holding can 18 inches from foliage for English Ivy and African Violets. Spray both sides of leaves lightly. Do not wet. Kills Aphids (plant lice), Spider Mites, Exposed Thrips, Lace Bugs.

OUTDOORS: For insects on Asters, Azaleas, Begonias, Chrysanthemums, Dahlias, Delphiniums, Gladioli, Irises, Marigolds, Petunias, Roses, Snapdragons. Also for insects specified below on Evergreens and Small Deciduous Trees, Shrubs, Vines.

Sprayed directly on insects, kills sucking insects: Aphids, Leafhoppers, Spotted Mites, Thrips (exposed), Lace Bugs, Chewing insects, Army Worm Larvae, Mexican Bean Beetles, Climbing Cutworms, Japanese Beetles.

For best results spray in evening or on cloudy day when air is still. Use slow sweeping motion. Keep can 18 inches from plants. Avoid wetting foliage with spray. Spray at rate of 1 foot per second. For heavy growth, spray row on both sides. Spray with caution on new growth. Do not spray when temperatures exceed 90°F. May be used outside to kill Flies, Mosquitoes, Gnats, other small flying insects. Fog area liberally. Spray with breeze allowing fog to drift into shrubbery.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Never throw container into fire or incinerator. May stain finished surfaces if sprayed too closely.

ACTIVE INGREDIENTS
d-trans Allethrin (allyl homolog of Chirin) 1.025%, Piperonyl butoxide (technical) 0.80%, N-octyl bicycloheptene dicarboximide 0.40%, Petroleum distillate 8.05%.

INERT INGREDIENTS 90.50%
Equivalent to 0.84% butylcarbityl 16-propyl piperonyl ether and 0.16% related compounds.
