NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Agency has determined that the Confidential Statement of Formula (CSF), dated February 6, 1995, which was submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. A copy of the CSF has been placed in our file for this product. All previous versions are obsolete.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. Enclosed is a copy of your label stamped "Accepted". This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the revisions specified below before you print the final labeling for this product.

1. On the Front Panel, reformat the "IF SWALLOWED" statement as follows:

IF SWALLOWED: Drink 1 or 2 glasses of warm water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

2. On the Left Panel, rewrite the first paragraph of the "PRECAUTIONARY STATEMENTS" to read:

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Fatal if swallowed or inhaled. Do not get in eyes, on skin, or on clothing. Do not breathe dust. When mixing baits, use a dust/mist filtering respirator with MSHA/NIOSH approval number prefix TC-19C. Wear protective clothing and waterproof gloves. Wash arms and face with soap and water after mixing or handling and before eating or smoking. Remove contaminated clothing and wash before reuse.

Exposure to Warfarin during pregnancy should be avoided. Warfarin may cause harm to the fetus, including possible birth defects.

3. Revise your "ENVIRONMENTAL HAZARDS" section as follows:

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

4. Under "DIRECTIONS FOR USE", you may add "and in transport vehicles" after "man-made structures", as allowed on Pages 15-16 of the Warfarin Reregistration Eligibility Document (RED).

Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

**Registrants** may sell or distribute products bearing old labeling for **one year** after the date of this Notice. **Non-registrants** may sell or distribute products bearing old labeling for **three years** after the date of this Notice.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Front Left Panel

**PRECAUTIONARY STATEMENTS:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS:**

Fatal if swallowed, inhaled or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Do not breathe dust. When mixing baits, use a dust respirator and wear rubber gloves. Wash arms and face with soap and water after mixing or handling and before eating or smoking. Exposure to Warfarin during pregnancy should be avoided. Warfarin may cause to the fetus, including possible birth defects.

**STATEMENT OF PRACTICAL TREATMENT:**

In all cases of suspected poisoning, immediately contact a physician or Poison Control Center.

If swallowed: Drink 1 or 2 glasses of warm water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

If inhaled: Remove victim to fresh air. Do not breathe dust.

If in eyes: Flush immediately with plenty of water. See a physician.

If on skin: Wash with soap and water.

**NOTE TO PHYSICIAN:**

If ingested, administer Vitamin K<sub>1</sub> intramuscularly or orally, as indicated in bishydroxycoumarin overdoses. Repeat as necessary based on monitoring of prothrombin times. Severe cases may require administering Vitamin K<sub>1</sub> intravenously and giving blood transfusions.

**ENVIRONMENTAL HAZARDS:**

This product is toxic to fish and wildlife. Do not discharge into lakes, streams, ponds, or other water.

5

Front Right Panel

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Only for formulation into a Rodenticide for (1) The following uses: control of Norway rats, roof rats, and house mice in and around homes, industrial buildings, and similar man-made structures; (2) Uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and (3) Uses for experimental purposes that are in compliance with USEPA requirements.

**STORAGE AND DISPOSAL**

Do not contaminate food or feed by storage or disposal.

**STORAGE:** Store in a cool dry area inaccessible to children, pets and domestic animals. Store in a locked area in original container separate from other products to prevent cross-contamination of other pesticides, fertilizer, food and feed. If container is damaged or if product has spilled, adequately ventilate the area. Shovel and/or sweep up into a suitable container. Dissolve remaining spilled material with an appropriate solvent and collect in a suitable container.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous waste representative at the nearest EPA Regional office for guidance.

**CONTAINER DISPOSAL:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum cannot be reused, dispose of in the same manner.
