d-CON. fourgone.
Automatic Room Fogger formula II

One can treats one unobstructed area up to 2000 cu. ft. (20' x 30' with 10' ceiling). Use additional units for this control or for remote control or where floor of solid is not present.

PREPARATION
 COVER asphalt tile, waxed wood floors and waxed furniture which may come in contact with the fog. (Newspapers may be used.)
 OPEN cupboards, closets, trunks and interior doors in area to be treated.
 REMOVE pets and cover or remove fish tanks and bowls, remove or cover foods, dishes, utensils, food handling equipment and articles made of cotton terycloth.
 CLOSE outside doors and windows, turn off fans and air conditioners, extinguish open flames. (Pilot lights need not be extinguished.)

DIRECTIONS
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 1. Set the can on a raised spot such as a table or stand. Spread paper under can to cover area directly beneath nozzle. Remove cover.
 2. Turn top of can away from face.
 3. Press lever down firmly until it clicks.
 4. Set can back on surface.
 5. and leave the room closing the door behind you.

6. Keep room being treated closed for 4 hours.
 7. After 4 hours open all doors and windows, turn on air conditioners and fans, and let the treated area air for 30 minutes.
 Repeat treatment in two weeks or as necessary.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
 CAUTION
 Harmful if inhaled. Avoid inhalation of vapors. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and water. For eyes, flush with plenty of water. Get medical attention if irritation persists. Avoid consumption of food and beverages. Do not use in commercial food processing, preparation, service or storage areas. In the home, cover or remove exposed food. Avoid contamination of cooking utensils and food preparation surfaces. Stay out of rooms being treated for 4 hours, ventilate the rooms as directed.

PHYSICAL AND CHEMICAL HAZARDS
 Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120° F may cause bursting.

DISPOSAL
 Do not reuse empty container. Empty container and put in trash container.

d-CON.
fourgone.
 Automatic Room Fogger
 formula II

Helps Control Bug Build-up.
 • One can fills an entire room (up to 20' x 30' with 10' ceiling) with an effective bug-killing fog.
 • Empties automatically in minutes. Kills in 4 hours. The nozzle is designed so that spray will continue until entire contents are released.

Used as directed, Four Gone will not harm drapes, upholstery fabrics, carpeting, bedspreads, clothing, linens, furniture, walls, floor tiles (rubber, vinyl), ceilings, shades or blinds. Articles made of cotton terycloth, however, should be removed from the area to be treated.

 NET WEIGHT 15 OZ.

d-CON.
fourgone.
 Automatic Room Fogger
 formula II

Kills 17 kinds of bugs.
 No regular spray works the way Four Gone does. Automatically fills a whole area with effective, bug-killing fog.
 Four Gone kills insects as they fly or crawl around such out of the way places as high open areas, cathedral ceilings, attics, basements, as well as rooms.
 Aids in control of cockroaches and waterbugs. Kills small flying moths, mosquitoes, yellow jackets, ants, ticks, earwigs, spiders, hornets, houseflies, gnats, bees, wasps, silverfish and crickets.
 For flea control. One unit should be used for every 1500 cu. ft. area (12' x 15' with 8' ceiling).
 To kill ticks and fleas, also destroy old pet bedding and replace. Treat dogs and cats with registered tick or flea product prior to re-entry.

USE FOUR GONE IN ANY OF THESE AREAS
 • ROOMS • APARTMENTS • HOMES • ATTICS • BASEMENTS • CAMPERS • BOATS • GARAGES • CABINS • PET SLEEPING AREAS • HOUSEHOLD STORAGE AREAS • GROUND LEVEL CRACKS/SPACES
