HOME GUARD BUG KILLER

A combination of insecticides formulated for use in and around the home. Provides fast knockdown, flushing action and residual kill of cockroaches for weeks. (residual kill of cockroaches for up to six weeks on hard surfaces.)

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **SMILE BEFORE USE**
INDOORS: Spray infested areas until wet.
CONCENTRATED STREAM: Apply to areas where pests hide. Cracks, crevices, most areas, openings around and behind pipes and sinks and such out of the way places as under stoves, refrigerators and other appliances. Do not apply this product in conduits, motor housings, junction and switch boxes or other electrical equipment because of possible shock hazard.
COARSE SPRAY: Apply along baseboards, window and door sills and frames, storage areas, localized areas of floors and floor coverings, around sleeping quarters of animals. Fresh bedding should be placed in animal quarters after treatment. Repeat treatment as necessary. **DO NOT SPRAY PETS WITH THIS PRODUCT.** Treat pets with a product registered for animal application to control fleas. Repeat treatment as necessary.
OUTDOORS: For effective control of listed pests, apply as a residual coarse spray to outside home surfaces such as — porches, window frames, eaves, patios, in and around garbage cans, ant trails and nests. To help prevent infestation, treat with a coarse spray a band of soil 6 to 10 feet wide around the home 2 to 3 feet high around the foundation. Repeat treatment as necessary. Do not spray plants; product may cause injury.
DISPOSAL: Do not reuse empty container. Wrap and put container in trash collection. Do not expose product to temperatures below 32°F.
PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION. Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wash hands after using. Do not contaminate contact food, feedstuffs or water supplies with this product. If food contact surfaces become contaminated, wash thoroughly. Do not allow children or pets to contact treated surfaces until spray has dried. Remove pets and cover fish tanks before spraying.
STATEMENT OF PRACTICAL TREATMENT: If swallowed, Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Get medical attention.
If in eyes, Flush with plenty of water. Get medical attention if irritation persists.
If on skin, Wash thoroughly with soap and warm water.
NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.
ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.
