d-CON EXACT ROACH & ANT KILLER

d-CON EXACT kills roaches, ants, silverfish, flies, houseflies, ticks, spiders, black carpet beetles, fleas, fleas, saw-toothed grain beetles, nose fleas, pill bugs, small flying moths

Where to Use d-CON EXACT

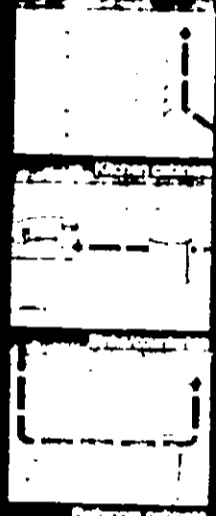

d-CON EXACT kills crawling insects in areas where you don't dare spray like the inside of kitchen drawers, cabinets, around pipes and basement areas, plumbing, edges of baseboards, etc. Effective around door and window frames, window panes, storage closets, light fixtures, inside lamp shades. Can also be used around light fixtures in side run of garage cars.

How d-CON EXACT Works

d-CON EXACT concentrates full strength bug killer exactly where you want it. No waste. No mess. It dries to a clear, odorless film that keeps on killing for weeks.

Directions for Use

- 1. In violation of Federal Law to use this product in a manner inconsistent with its labeling.
- 2. Twist and pull top from top of package.
- 3. Press tip firmly against surfaces to be treated and draw liberal amount of insecticide over these surfaces. (For porous surfaces, apply more liberally.)
- 4. Replace cap firmly over tip to prevent spillage.
- 5. Repeat as necessary.

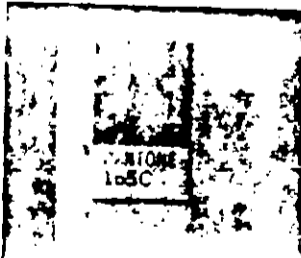

PRECAUTIONARY STATEMENTS-HAZARDS TO HUMANS AND DOMESTIC ANIMALS-CAUTION. Hazard if swallowed or absorbed through skin. Avoid contact with skin and eyes. May cause eye irritation. STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, call a physician. Poison Control Center. DO NOT induce vomiting because of aspiration hazard.

DO NOT allow children to come in contact with food and food preparation surfaces or feeding utensils. If contact occurs wash thoroughly with soap and water before using.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
