BUG KILLER

front panel

Kills Ants & Roaches

JETACUTEM
with COMMENTS
in EPA Letter Dated:

NOV 21 1990

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

3282-1/3

formula IX

- Kills Insects On Contact
- 15 Day Killing Power

ACTIVE INGREDIENTS:

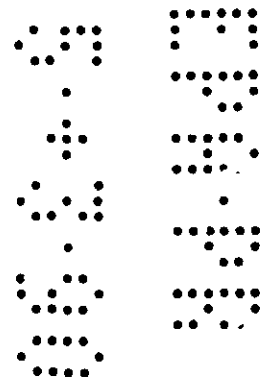

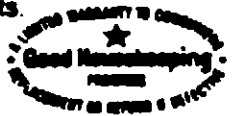

d-trans Allethrin (allyl homolog of Cinerin I)	0.050%
Related compounds	0.004%
†N-Octyl bicycloheptene dicarboximide	0.400%
*Chlorpyrifos [0,0 -diethyl 0-(3,5,6-trichloro-2-pyridyl) phosphorothioate]	0.500%
Aromatic petroleum distillate	0.280%
Petroleum distillate	16.732%
INERT INGREDIENTS	82.034%
†MGK-254, Insecticide Synergist	TOTAL 100.000%

*U.S. Patent No. 3,244,586 Dow Chemical Company

KEEP OUT OF REACH OF CHILDREN

CAUTION: See back panel for additional precautionary statements.

NET WT. 11 OZ.

back panel

Kills Insects on Contact.

LONG LASTING—Keeps killing even after the surface is dry.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply in conduits, motor housing, junction and switchboxes or other electrical equipment because of possible shock hazard.

IMPORTANT—HOLD CONTAINER IN UPRIGHT POSITION TO SPRAY. SHAKE WELL. Direct spray away from face. Hold container 6 to 12 inches from surface and spray at a rate of 1 foot per second or until surfaces are wet. If reinfestations occur, repeat applications as necessary.

ROACHES, WATERBUGS, CRICKETS, AND CENTIPEDES: Thoroughly spray cracks, crevices, baseboards and around garbage containers and other places where insects habitate.

ANTS: Spray ant trails, window frames, door sills and other places where ants may enter. Spray directly on ant hills or on swarming ants outdoors only.

CLOVER MITES, SOWBUGS, AND EARWIGS: Spray window and door sills and other points of entry—outside only. Apply also to outside foundation and porches to ground level.

TERMITES AND FIREBRATS: Apply to cracks and crevices, baseboards, behind sheving, bookcases and other storage areas.

SCORPIONS AND SPIDERS: Spray directly on pests when possible. Treat surfaces of out-buildings and garages where pests hide or congregate. Spray points of entry such as window sills and along cracks and crevices.

BROWN DOG TICKS: Remove all pet bedding. Thoroughly spray cracks, crevices and areas where pets normally lie down. Do not spray on pets. Allow the sprayed areas to dry thoroughly. Replace bedding before permitting use by animals. For dog kennels, apply to outside runways, window sills and ledges.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. DO NOT use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in food serving areas while food is exposed. Keep children and pets out of treatment area and cover fish bowls and aquariums during treatment. Do not allow children or pets on treated areas until spray has dried. Do not use as a space spray—FOR SURFACE APPLICATION ONLY.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds, and other wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of

PHYSICAL HAZARDS: Flammable. Do not use or store near heat sources, sparks, or open flame. Do not use in the vicinity of pilot lights. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: DO NOT INDUCE VOMITING. May present aspiration hazard. Call a Physician or Poison Control Center immediately. **IF INHALED:**

Remove victim to fresh air. **IF ON SKIN:** Wash contaminated skin with soap and plenty of water. Get medical attention if irritation persists. **IF IN EYES:** Flush eyes with plenty of water. Get medical attention if irritation persists.

NOTE TO PHYSICIAN: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is antidotal.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal of this product. **Storage:** Store in a cool dry area away from heat or open flame.

Disposal: Do not reuse empty container. Wrap container and put in trash collection. Exposure to temperatures above 130°F may cause bursting.
