d-CON RUG & CARPET
FLEA KILLER PLUS DEODORIZER

d-CON Flea Killer Plus Deodorizer's deep penetrating, dry powder formula gets down into carpets, rugs, upholstered furniture, pet bedding and starts working immediately. It kills adult fleas and their hatching eggs (larvae) before they grow up and start biting. Kills ticks, ants and roaches too.

d-CON Flea Killer Plus Deodorizer is also an effective deodorizer, counteracting odors from pets, dampness and mustiness. Leaves treated areas smelling cleaner and fresher.

One package treats up to three "8' x 10'", (10 oz. size), "8' x 11'", (11 oz. size), "8' x 12'" (12 oz. size) rugs or carpet areas.

PREPARATION:

Thoroughly vacuum area to be treated immediately before applying d-CON Flea Killer Plus Deodorizer. To insure proper dispensing, shake box before using. Please read directions for dispenser opening & closing located on right side panel.

(Alternate Dispensing System)

To open, punch out plastic seal on top. Rotate dispenser top until the three holes are directly over opening. Follow directions below.

DIRECTIONS FOR USE: It is a violation of Federal Law to use the product in a manner inconsistent with its labeling.

Sprinkle On
(visual)

- (1) Sprinkle product by shaking package from side to side, evenly covering entire area to be treated with a "white" dusting of powder. Avoid applying to wet or damp surfaces.

Work In
(visual)

- (2) Work powder in by lightly brushing with a broom, vacuum cleaner brush (power off) or hand brush. If product adheres to spot, rub with stiff brush.

- BACK PANEL - (Cont'd)

<p><u>wait/Vacuum</u></p> <p>(visual)</p>

- (3) Wait 2 hours, then vacuum as usual. Three hours may be required for severe infestation or when ticks are present. After final vacuuming, remove bag from vacuum, wrap, and dispose in trash.

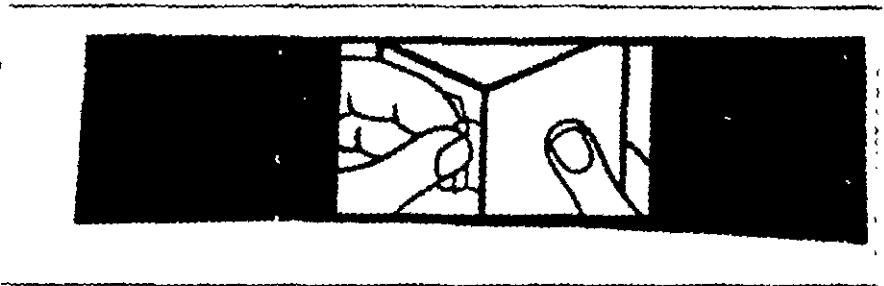

STORAGE & DISPOSAL:

Store in cool, dry area away from children. Do not reuse empty container. Wrap and put in trash collection.

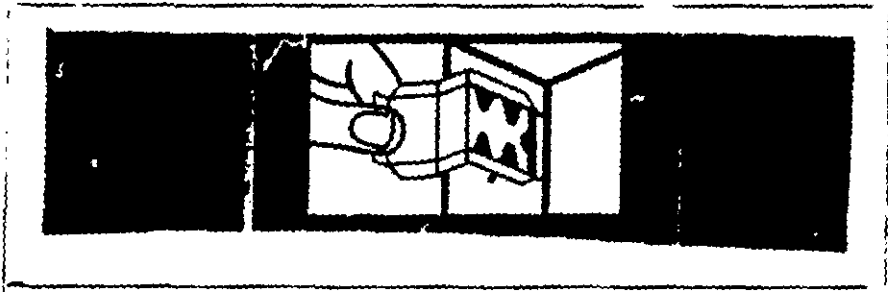

(flap/tab)

To Open:

1. Lift tab near edge of box

2. Using tab, pull flap left to orange line for maximum flow.

P.117

FLEA KILLER PLUS DEODORIZER

Precautionary Statements, Hazards to Humans and Domestic
Animals

Caution: Causes eye irritation. Avoid contact with eyes, skin or clothing. Wash hands thoroughly after handling. Avoid contamination of feed and food stuffs. Pets should be removed and fish aquariums covered or removed before treatment. Keep children and pets off treated area until after final vacuuming.

Statement of Practical Treatment:

If in eyes: Flush eyes with water for 15 minutes. Get medical attention if irritation persists.

If on skin: Remove contaminated clothing and wash affected areas with soap and water.

If swallowed: Call a physician or Poison Control Center immediately. Induce vomiting by giving victim 1 or 2 glasses of water and touching back of throat with fingers. Never give anything by mouth to an unconscious person.
