Subject: Notification per PRN 98-10 – Marketing statements
Product Name: ZICON SPRAY
EPA Registration Number: 3282-116
Application Date: 7/3/2018
Decision Number: 542840

Dear Ms. Landolt:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, you may contact Angela Hollis at 703-347-0216 or via email at hollis.angela@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich".

Elizabeth Fertich, Product Manager 04
Invertebrate & Vertebrate Branch 1
Registration Division (7505P)
Office of Pesticide Programs

<< USE DIRECTIONS – SPRAY >>

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Hold container 4 to 6 inches from skin or clothing and spray with a slow sweeping motion. Do not spray directly on face. Avoid contact with lips, cuts, wounds, irritated or excessively sunburned skin. Take care to avoid mouth and eyes and apply sparingly around ears. Do not exceed two applications per day. After returning indoors, wash treated skin with soap and water.

TO APPLY TO FACE: First spray small amounts in palms of hands and then spread on face and neck, avoiding your eyes. Apply sparingly around ears.

TO APPLY TO CHILDREN: Do not allow children to handle the product. Do not apply to the hands of small children. To apply to a child's face and neck, spray the product into your hands and apply to the child.

TO APPLY TO CLOTHING: Do not use under clothing. Spray shirts, pants, socks, and hats. Will not damage fabrics, plastics, watch crystals, and painted or varnished surfaces. Wash treated clothing before wearing it again.

<< USE DIRECTIONS FOR CONTINUOUS SPRAY >>

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Hold container 4 to 6 inches from skin or clothing and spray with a slow sweeping motion. Do not spray directly on face. Avoid contact with lips, cuts, wounds, irritated or excessively sunburned skin. Take care to avoid mouth and eyes and apply sparingly around ears. Do not exceed two applications per day. After returning indoors, wash treated skin with soap and water.

TO APPLY TO FACE: First spray small amounts in palms of hands and then spread on face and neck, avoiding your eyes. Apply sparingly around ears.

TO APPLY TO CHILDREN: Do not allow children to handle the product. Do not apply to the hands of small children. To apply to a child's face and neck, spray the product into your hands and apply to the child.

TO APPLY TO CLOTHING: Do not use under clothing. Spray shirts, pants, socks, and hats. Will not damage fabrics, plastics, watch crystals, and painted or varnished surfaces. Wash treated clothing before wearing it again.

<< PRECAUTIONARY / FIRST AID / STORAGE & DISPOSAL >>

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals

CAUTION: Causes moderate eye irritation. Avoid contact with eyes. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco.

FIRST AID	
If in eyes	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a Poison Control Center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none">• Call a physician or Poison Control Center immediately for treatment advice.• Have a person sip a glass of water if able to swallow.• Do not induce vomiting unless told to do so by a Poison Control Center or a doctor.• Do not give anything to an unconscious person.
CONTACT NUMBER	
Questions? Comments or In case of an emergency, call toll free (1-800-228-4722) (1-xxx-xxxx). Have the product container or label with you when calling a Poison Control Center, or doctor, or going for treatment.	

PHYSICAL HAZARDS: FLAMMABLE: Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.

<< STORAGE & DISPOSAL >>

STORAGE: Store in a cool, dry place out of reach of children. Keep away from heat, sparks and open flame.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency. Never place unused product down any indoor or outdoor drain.
