

**DIRECTIONS FOR USE
PRECAUTIONARY STATEMENTS
Hazards to Humans**

Avoid contact with eyes, skin and clothing. Avoid breathing vapors or dusts that may arise from food, feedstuffs and domestic water supplies. Wash thoroughly after handling.

NOTE TO PHYSICIAN: Cholinesterase inhibitors. Treat symptomatically. Atropine only by injection is an antidote.

Environmental Hazards

This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. This product is highly toxic to bees exposed to direct treatment or residues on plants. Protective information may be obtained from your cooperative Agricultural Extension Service.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame. Do not store below 32 Degree F.

DISPOSAL

Do not reuse container. Wrap container and put in trash collection.

NOTICE: Seller's guaranty shall be limited to the terms of the label and subject thereto. The buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
