DIRECTIONS "Do not open or crush paks." Place two to three paks in each infested area. Place in closets, drawers, bookcases, under rugs, in basement and dark hidden places. Also in areas where silverfish habitate, under house and in attic if possible.

When DEKKO Silverfish Paks are used as the only treatment, control may not be obtained for from three days to four weeks, depending upon conditions. Repeat treatment as necessary to effect and maintain control. U.S.D.A. REG. #3324-5.
