

HIDE ROACH PUFF PACK

DIRECTIONS: This is a variation of roach powder. Use to a
maximum concentration of 10% in the area.

Place the powder in holes along baseboards
under and behind sinks, refrigerators, and
cabinets. Pour in cracks and crevices and
around utility pipes or other dark areas. Use
sparingly.

Any powder which is not used in 10 days
should be discarded. Do not use if
necessary.

DISPOSAL: Do not use this powder in
trash container and seal in trash
can.

CAUTION

**HAZARD TO HUMANS AND DOMESTIC
ANIMALS:** Do not use in areas where
thoroughly after handling. Do not use
powder in areas accessible to children
or pets. Avoid contamination of food and
clothing.
