

DIRECTIONS:

PATIO - A thorough misting around patio, barbecue, picnic tables and other outdoor spaces when the air is quiet will repel and kill annoying flying insects. Repeat as necessary.

HOUSEHOLD - MILLERS, FLIES, MOSQUITOS, WASPS. Spray upwards into four corners of room for 10-15 seconds per 1,000 cu. ft. An average room will require 20 seconds. Keep doors and windows closed for 15 minutes after use. Repeat as often as necessary.

ANTS, SPIDERS, ROACHES, SILVERFISH: Thoroughly spray cracks in woodwork, walls, floors, around doors and window frames, baseboards, behind shelving in storage areas and other places where insects may congregate, walk or hide. Repeat as necessary.

TICKS, FLEAS: Spray sleeping quarters of animals freely. Spray cracks in floors, behind pictures and other places where insects may congregate. Repeat as necessary. **DO NOT SPRAY PETS.**

BED BUGS: Take bed apart and spray entire surface of bedstead, slats, and springs. Spray thoroughly into cracks and joints in bedstead and on tufts and seams of mattress. Do not spray general surface of mattress. Spray on and under baseboards, moldings, cracks in floors and walls and underneath loose wallpaper and other places these insects may be found. Air mattress until completely dry, at least 4 hours before re-use.

INGREDIENTS:

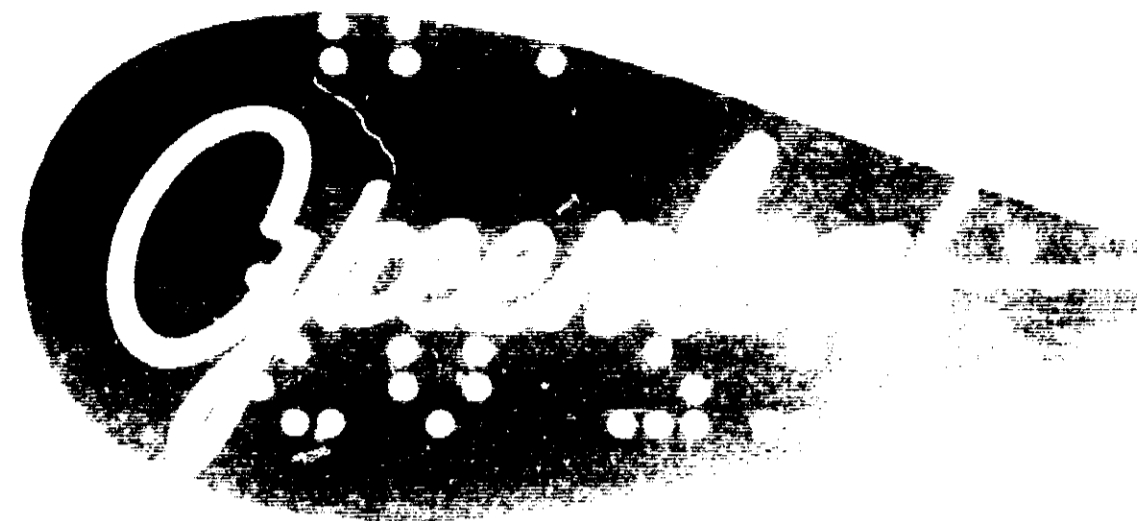

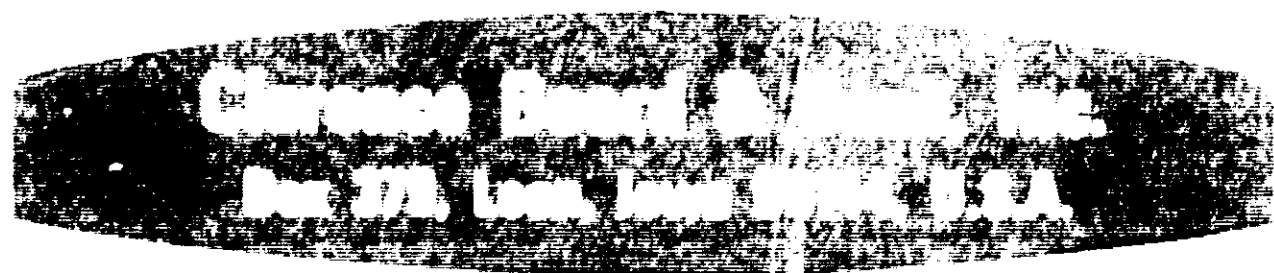

ACTIVE INGREDIENTS	By Weight
2,2-Dichlorovinyl Dimethyl Phosphate	0.46%*
Related Compounds	0.04%*
Petroleum Hydrocarbons	14.50%
INERT INGREDIENTS	85.00%
Total	100.00%

*Equivalent to 0.5% Vapona® Insecticide

CAUTION: HARMFUL IF SWALLOWED, INHALED OR ABSORBED THROUGH SKIN. Avoid prolonged breathing of spray mist. Wash thoroughly with soap and water after handling and before eating or smoking. Do not contaminate utensils, food or water. If swallowed, induce vomiting immediately and get medical attention. Atropine is antiodotal.

WARNING: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130° Fahrenheit may cause bursting. Never throw container into fire or incinerator.
