CERTIFIED MAIL

Cape Fear Chemicals, Inc.
P.O. box 695
Elizabethtown, NC 28337

Attention: Mr. H.J. Brice

Subject: 1% Rotenone Dust
EPA Reg. No. 3342-4
Our letter of November 21, 1996
Your letter of December 9, 1996

In our November 21, 1996, letter, we requested you to submit A) a revised Confidential Statement of Formula (CSF) and B) a revised label for this product, **within 30 days of receipt** of our letter. With your December 9, 1996, letter, we have received a revised label, which has been reviewed below, but have not received a revised CSF. You need to send this outstanding item to us as soon as possible. If you have questions about this letter, please contact Mr. Dan Peacock at 703-305-5407.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before you ship your product:

1. As indicated in our last two letters regarding labeling, May 11, 1995, and November 21, 1996, after your Ingredient Statement, format the beginning of your Precautionary Statements as follows:

KEEP OUT OF REACH OF CHILDREN

CAUTION

Hazards to Humans and Domestic Animals

CAUTION

Harmful ... before reuse.

2. Since all of your precautionary statements are on the Front Panel, you do not need the heading "Precautionary Statements".

3. The heading, "Hazards to Humans and Domestic Animals" needs to have the same left margin as "CAUTION" to conform to our standard labeling format. Following the standard format makes its easier for users, most of whom also use other pesticides, to find needed information on the label.

4. Change your registration number from:
"EPA Reg. No. 3342-01" to "EPA Reg. No. 3342-4".

5. Change your establishment number from:
"EPA Est. No. 3342-4" to "EPA Est. No. 3342-NC-01".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

William W. Jacobs, PhD
Product Manager (14)
Insecticide-Rodenticide Branch
Registration Division (H7504C)

KEEP OUT OF REACH OF CHILDREN CAUTION

PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or inhaled. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

IF SWALLOWED: Call physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching finger to back of throat. Do not induce vomiting or give anything by mouth to an unconscious person. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if irritation persists.

PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear: Long-sleeved shirt and long pants, waterproof gloves, shoes plus socks. Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

USER SAFETY RECOMMENDATIONS

Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Runoff from treated areas may be hazardous to aquatic organisms in adjacent sites. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your State or Tribe, consult the agency responsible for pesticide regulation.

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. This Standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), and restricted-entry interval. The requirements in this box only apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 12 hours.

PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water, is: Coveralls, waterproof gloves, shoes plus socks.

USE RESTRICTIONS: For control of the Mexican Bean Beetle on Beans and the Colorado Potato Beetle on Potatoes. Do not apply within one day of harvest. Wash any residue from vegetables before cooking.

APPLICATION DIRECTIONS: Apply liberally on both sides of foliage with a hand duster at the rate of 15 to 30 pounds per acre, depending on the level of infestation and size of plants. Repeat as necessary to control insects.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. **STORAGE:** Store only in original container in a dry place inaccessible to children and pets. **PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
