USDA Reg. No. 3367-5 **K-FE**

*Wayne's
 Special*

CONTAINS
NEW LIQUID BRIGHTENER!
 FOR WHITER WASHES
CAUTION: KEEP OUT OF REACH OF CHILDREN

DISINFECTANT

Use 2 ounces to each gallon of water. This makes a fragrant household disinfectant. Excellent for use in bathroom, kitchen, laundry or in cleaning floors, walls and woodwork throughout the entire house. Leaves a mild, clean pine fragrance. **FOR HEAVILY SOILED SURFACES**, use a solution of 4 ounces to the gallon of water.

DEODORANT

A few drops in the toilet bowl after cleaning will impart a delightful fresh mild fragrance. A small amount poured down the sink or bath tub drain will help to control food and other drain odors. 2 ounces in the mop pail will help control all types of household odors, cigarette smoke, etc. Tile walls cleaned with a mild solution will impart its fresh pine fragrance throughout the day.

CLEANING AID

Use with any cleaning solution for closets, shelves, store rooms, etc., will help to control mildew and leave a sweet pine fragrance which lasts and lasts 1-2 oz. per gallon of water is recommended.
