

This algicide is formulated to complement swimming pool water being treated with normal chlorine systems. It is especially effective against growth of algae and being non-volatile, aids in maintaining pool water clarity and sparkle. The residual effectiveness of this algicide tends to stabilize the total chemical treatment system.

This algicide is compatible with many chemicals normally used in swimming pool maintenance, however in its concentrated form this chemical should not come into contact with high concentrations of chlorine. DO NOT MIX THIS ALGICIDE AND CHLORINE TOGETHER when adding to the pool. These chemicals should be handled separately. This algicide is economical, efficient, stable.

USE DIRECTIONS: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For an initial application use one gallon of this algicide per 25,000 gallons of water. Use one quart per 50,000 gallons of water every fifth to seventh day, depending on weather and use factors.

The initial dose is used when filling pool at beginning of swimming season and in a clean pool free of visible algae. If pool has visible algae growth, treat with initial dose. Vacuum pool after 24 hours to remove algae debris. If visible algae are still present or reappear, repeat this treatment procedure as necessary. When pool is free of algae, use recommended maintenance dose.

After each rain of consequence, add one quart per 50,000 gallons of water. Even though the pool may not be in use for periods of time, algae growth should be controlled since a heavy growth of algae is difficult to remove. The appropriate amount of this algicide should be added by pouring directly into the pool. More rapid distribution will be achieved by pouring a little of the specified amount into several areas of the pool. Recirculation or swimming activity will assure rapid dispersion.

Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
3367-84

UTION: KEEP OUT OF REACH OF CHILDREN

(See additional precautions on side panel)

PRECAUTIONARY STATEMENTS: Hazards To Humans And
Domestic Animals

DANGER Keep out of reach of children. Corrosive causes eye
damage and skin irritation. Do not get into eyes or on cloth-
ing. Wear goggles or face shield and rubber gloves when
handling. Harmful or fatal if swallowed. Avoid contamination
of food.

STATEMENT OF PRACTICAL TREATMENT: In case of con-
tact, immediately flush eyes or skin with plenty of water for at
least 15 minutes. For eyes call a physician. Remove and wash
contaminated clothing before reuse. If swallowed, drink
promptly a large quantity of milk, egg whites, gelatin solution
or if these are not available, drink large quantities of water.
Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may con-
tradicate the use of gastric lavage. Measures against circu-
latory shock, respiratory depression and convulsions may be
needed.

STORAGE AND DISPOSAL: Triple rinse (or equivalent) then
offer for recycling or reconditioning, or puncture and dis-
pose of in a sanitary landfill, or by other approved state and
local procedures.

ENVIRONMENTAL HAZARDS: This product is toxic to fish.
Do not discharge into lakes, streams, ponds, or public waters
unless in accordance with an NPDES permit. Do not contam-
inate water by cleaning of equipment or by disposing of
wastes.

TO DETERMINE POOL CAPACITY: Rectangular Pools—
Length times width times average depth (in ft.) times 7.5
equals gallons. Round or Oval Pools—Average diameter
times average diameter times average depth (in ft.) times 5.9
equals gallons.

U.S. ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (WH-567) WASHINGTON, D.C. 20460 NOTICE OF PESTICIDE: ☒ REGISTRATION RENEWAL (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)	EPA REGISTRATION NO. 3367-84	DATE OF ISSUANCE 06 OCT 1982
	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT ALG 3000	
NAME AND ADDRESS OF REGISTRANT (Include ZIP code) Reilly Chemical Company P.O. Box 50372 New Orleans, LA 70150		
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.		
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.		
A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.		
Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.		
This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:		
1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data. 2. Make the labeling changes listed below before you release the product for shipment: a. Add the phrase "EPA Registration No. 3367-84." b. Change the signal word on your center panel from "CAUTION" to "DANGER." c. You must include the Net Contents statement on your label or on the container. d. Revise your Storage and Disposal statement to read:		
☒ ATTACHMENT IS APPLICABLE SIGNATURE OF APPROVING OFFICIAL DATE

STORAGE AND DISPOSAL

PROHIBITIONS

Do not contaminate water, food, or feed by storage or disposal. Dumping is prohibited.

PESTICIDE DISPOSAL

Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL

For Metal Containers:

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

For Plastic Containers:

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by incineration if allowed by state and local authorities.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

John H. Lee
