MAY 29 1967
<small>UNDER THE FEDERAL INSECTICIDE FUNGICIDE AND RODENTICIDE ACT FOR ECONOMIC POISON REGISTERED UNDER NO. 3396-4. SUBJECT TO ATTACHED COMMENTS.</small>

SUPER-MAL-TOX OUTDOOR FOG OIL represents the latest development in modern insecticidal mosquito and fly control. **SUPER-MAL-TOX OUTDOOR FOG OIL** is a complete insecticide manufactured for use only in thermal aerosol generators such as "Tifa" and "Dyna-Fog" machines.

SUPER-MAL-TOX OUTDOOR FOG OIL when properly used in thermal aerosol generators provides a fast knockdown of most small flying insects, especially flies and mosquitoes, and results in a high kill of insects knocked down.

SUPER-MAL-TOX OUTDOOR FOG OIL contains the new and powerful chemical Malathion for effective kill of resistant and non-resistant species of flies, mosquitoes and many other flying and crawling insects.

CAUTION
KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid prolonged breathing of spray mist. Avoid repeated or prolonged contact with skin. Wash thoroughly. Avoid contamination of feed, food crops and foodstuffs.

ANTIDOTE: External—Wash with soap and water. Internal—emetic of mustard. If poisoning occurs, call physician immediately. Artificial respiration and large doses of atropine may be required.

WARRANTY: Since the use of this material is beyond the control of the seller, seller makes no warranty of any kind, express or implied, concerning or handling whether in accordance with directions or not.

**DO NOT USE, SPRAY, POUR, SPILL OR STORE NEAR FIRE OR FLAME
IF ACCIDENTLY SWALLOWED, INDUCE VOMITING**
