GOLF[®] *Brand* TRIPLE TONIC

18-3-5

1. **POST-EMERGENCE BROADLEAVED WEED CONTROL**
Kills most broadleaved weeds including dandelion, plantain, buckhorn and similar non-grass weeds.
2. **NATURE'S RATIO[®] LAWNFOOD**
A scientific balance of the major plant foods formulated in the ratio used by turf grasses as recommended by leading turf authorities.
3. **IRON ADDED**
Promotes vigorous growth, darker green color and prevents lawn yellowing (iron chlorosis).

APPLICATION RECOMMENDATIONS

Apply in the spring when dandelions bloom and again in late summer or early fall for best results. Apply when grass blades are damp and allow the material to remain on the plants for 24 hours; then water the treated area thoroughly. New lawns can be treated after the second mowing. Do not apply to shrubs and ornamentals. 20 lbs. covers 5,000 sq. ft.

HELPFUL HINTS

Susceptible plants usually die and disappear in about two weeks longer if the soil is dry and weather is cool. Some hard to kill weeds may require one or more repeat applications. Do not use on bentgrass, Dichondra, St. Augustine grass, carpetgrass or clover lawns.

CAUTION

Keep out of the reach of children. Avoid contact with skin, eyes, or clothing. Do not inhale the dust. Wash hands with soap and water immediately after using. Avoid contamination of feed and foodstuffs. Do not store near seeds, fertilizer, insecticides or fungicides. Do not apply within the dripline of desirable trees and shrubs. Avoid drift to susceptible plants as this product may injure cotton, beans, peas, grapes, ornamentals, etc. Vapors from this product may injure susceptible plants in the immediate vicinity.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Do not reuse container. Destroy by burying in a safe place away from water supplies. Do not burn.

HELPFUL HINTS

To control weeds, spray once and repeat in about two weeks. Longer if the weeds are very numerous. Some hard-to-kill weeds may require one or more repeat applications. Do not apply to bermudagrass, St. Augustine grass or centipedegrass.

CAUTION

Keep out of the eyes. Avoid contact with skin, eyes or clothing. Do not inhale the dust. Wash hands with soap and water immediately after use. Avoid contact with or ingestion of feed and foodstuffs. Do not store near seeds.
