WALTON CHEMICAL CO.

JANITOR SUPPLIES

CHIEF PINE DISINFECTANT is an excellent general disinfectant for use in public places, schools, hotels, theaters, stores, office buildings, in washrooms, lavatories and for floors, woodwork, sinks, garbage cans and all other similar places which require regular or occasional disinfecting.

A most powerful disinfectant. Economical and effective. Made from the fragrant Southern Pine Oil. Will quickly destroy foul odor and many germs. Soluble in water in any proportion, making an instant, fragrant, milk-white solution.
