**ANTISEPTIC AND SANITIZING
AGENT. ECONOMICAL
AND EFFECTIVE.**

PAL-O-PINE is an excellent general disinfectant for use in public places, schools, hotels, theaters, stores, office buildings, in washrooms, lavatories and for floors, woodwork, sinks, garbage cans and all other similar places which require regular or occasional disinfecting.

DIRECTIONS: For general sanitation, add 2 ounces of PAL-O-PINE to one gallon of water and scrub item, or floor, that is to be cleaned and sanitized.
