Ms. Wendy A. McCombie
Agent for N. Jonas & Co.,
Lewis & Harrison
122 C Street, NW
Suite 740
Washington, DC 20001

Subject: Algae-RX
EPA Registration No. 3432-7
Application Date: 8/14/03
Receipt Date: 8/25/03

Dear Ms. McCombie:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with comments:

Amendment for formal approval of corrected Signal Word and corrected
Environmental Hazards Statement

LABEL COMMENTS

The Winterizing Directions must be expanded to include the following: Use the product at a higher rate than the rate for summer use of pool, advise user as to the appropriate water quality conditions (PH etc), specify how long the filter/recirculating device should run after addition of the pool product (Probably several hours to midnight) and whether any additional applications of the product must be made after pool closing.

GENERAL COMMENTS

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

ACCEPTED
with COMMENTS
in EPA Letter Dated:

NOV 19 2003

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, this pesticide,
registered under EPA Reg. No. 3432-7

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER. CORROSIVE. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or in clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID	
IF IN EYES:	<ul style="list-style-type: none"> •Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. •Call a poison control center or doctor for treatment advice.
IF ON SKIN OR ON CLOTHING:	<ul style="list-style-type: none"> •Take off contaminated clothing. •Rinse skin immediately with plenty of water for 15-20 minutes. •Call a poison control center or doctor for treatment advice.
IF SWALLOWED:	<ul style="list-style-type: none"> •Call a poison control center or doctor immediately for treatment advice. •Have person sip a glass of water if able to swallow. •Do not induce vomiting unless told to do so by a poison control center or doctor. •Do not give anything by mouth to an unconscious person.
IF INHALED:	<ul style="list-style-type: none"> •Move person to fresh air. •If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. •Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.	

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

When first filling pool or when no algae are visible use this product at a rate of 32 fluid oz. to each 12,500 gallons of pool water. If algae growth is visible apply 32 fluid oz. to each 5,000 gallons. Vacuum pool after 24 hours to remove dead algae. If algae is still visible repeat dose as necessary until pool is free of visible algae. Thereafter follow up with maintenance dose of 32 fluid oz. per 12,500 gallons pool water every 5 to 7 days or as needed. Add this product to pool water in front of the pool return while filter is on, for best results allow filter to run for at least 24 hours after adding this product. This product is effective over all normal pool balance values. Bathers should not be in the pool when this product is added and should not re-enter for at least 15 minutes. The above directions should be followed even when the pool is not in use. Do not use water containing residue from this product to irrigate crops used for food or feed.

For winterization application, add 1 quart of this product per 5,000 gallons of pool water. This dose helps provide a residual level of product in the pool water during the winter months. This treatment will also help the surviving beneficial bacteria survive the following season.

Do not mix this product with other pool chemicals, especially chlorine. Do not re-use container.

5/5

STORAGE AND DISPOSAL: Store in original containers and place in locked storage area. Keep from freezing. Small spills may be mopped up or flushed away with water or absorbed on some material and incinerated. **PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash. **CONTAINER DISPOSAL:** Do not reuse container. Rinse thoroughly before discarding in trash.

To Calculate Gallonage For Round Or Oval Pools: Diameter of pool x diameter of pool x average depth (all in feet) x 5.9 = gallons.

To Calculate Gallonage For Rectangular Pools: average depth x length x width (all in feet) x 7.5 = gallons.
