Sylvan Bye Bye Algae  
Sylvan Pools, Rt #611 Doylestown, Pa.  
1 lb. Net weight  
U.S.D.A. Reg. No.

Granular Algaecide Concentrate  
Compact, specially formulated  
Completely soluble, granules dissolve instantly  
Convenient, easy to store and use.

Active Ingredients

n-alkyl (C14, 50%-C12, 40%-C16, 10%) dimethyl benzyl ammonium chloride 30%

Inert Ingredients

Sodium Carbonate 70%

Danger: Keep out of reach of children. See side panel for precaution in handling.

Rear Panel

Directions:

Start up: If algae growth is absent or for fresh water use at rate of 4½ oz avoirdupois for each 5,000 gals. water. If algae already exists add "Bye Bye Algae" at rate of 11 oz. avoirdupois for each 5,000 gals. of water to kill and control those algae species most commonly found in swimming pools. When existing growth is dead, clean pool, then add 4½ oz avoirdupois of "Bye Bye Algae" per 5,000 gals of water. Subsequent doses at rate of 4½ oz per 5,000 gals every 5 to 7 days will be needed to keep growth down. "Bye Bye Algae" is compatible with usual water treatment chemicals. By controlling algae growth, the chlorine demand of the pool may be reduced.

DANGER: Keep out of reach of children. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

ANTIDOTE: If taken internally, do not induce vomiting. Feed gruel or cooked cereal followed by olive or cooking oil. Call a physician or take person to hospital. Dissolve in water only or add directly to pool water. DO NOT MIX WITH OTHER POOL CHEMICALS.

To Calculate Gallonage

For Rectangular pools: Multiply length of pool x width x average depth (all in feet x 7.5)

For Round pools: Diameter of pool x diameter of pool x average depth (all in feet x 5.9)

~~Caution~~ This product is toxic in fish. Do not discharge effluent into lakes, streams or ponds
