Subject: Amended Reregistration Label
Pro Algaecide
EPA Registration Number: 3432-31
EPA Decision Number: 464430

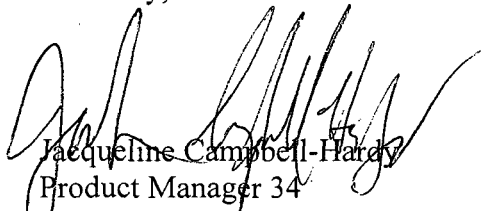

Dear Ms. McCombie:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the Busan 77 RED and has concluded that your submission is acceptable.

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

Should you have any questions or comments concerning this letter, you may contact me by telephone at (703) 308-6416 or by e-mail at campbell.jacqueline@epa.gov or Terria Northern by telephone at (703) 347-0265 or by e-mail at northern.terria@epa.gov during the hours of 8:00am to 4:00pm EST. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Jacqueline Campbell-Hardy
Product Manager 34

PRO ALGAECIDE

EFFECTIVE AGAINST GREEN,
BLACK & MUSTARD ALGAE

[EFFECTIVELY PREVENTS THE GROWTH OF GREEN, BLACK AND
MUSTARD ALGAE]

[EFFECTIVE AGAINST GREEN ALGAE]

[EFFECTIVE AGAINST BLACK ALGAE]

[EFFECTIVE AGAINST MUSTARD ALGAE]

NO FOAMING

NO STAINING

NO DISCOLORATION

NO METALS

ACTIVE INGREDIENT:

Poly [oxyethylene (dimethyliminio)	
ethylene-(dimethyliminio)	
ethylene dichloride].....	30%
OTHER INGREDIENT.....	70%
TOTAL	100%

This product contains 2.88 lbs. of active ingredient per gallon and weighs 8.97 lbs. per gallon

KEEP OUT OF REACH OF CHILDREN

CAUTION

See [back][side] panel for additional precautions and First Aid.

EPA EST. NO. 3432-PA-1
EPA REG. NO. 3432-31

Net Cont: 1qt.

Mfg. by: N. Jonas & Co., Inc. • Bensalem, PA 19020

**PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Harmful if absorbed through the skin. Wear chemical resistant gloves. Causes moderate eye irritation. Wear goggles or safety glasses. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing, gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID	
IF SWALLOWED	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
IF IN EYES	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
IF INHALED	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	

(NOTE TO REVIEWER: If container size is less than 5 gallons, use the following Environmental Hazards statement)
[ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish, aquatic invertebrates and clams.]

(NOTE TO REVIEWER: If container size is 5 gallons or larger, use the following Environmental Hazards statement)
[ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish, aquatic invertebrates and clams. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of National Pollutant Discharge Elimination Systems (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.]

PHYSICAL AND CHEMICAL HAZARDS: Do not use with or store near any oxidizing agents.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift.

This product is used to prevent and control the growth of algae, including so called "black algae", in swimming pools. For maximum effectiveness, clean pools containing heavy growth of algae prior to using this product. For pools having visible growth of algae, add an initial dose of 24 to 36 oz. per 10,000 gal. water and remove settled algae debris by cleaning (vacuuming). For treatment of freshly cleaned and filled pool, add initial dose 14 to 24 ozs. per 10,000 gal. pool water. To maintain pools free of visible algae growth, use subsequent additions of 4 1/2 ozs. per 10,000 gal. (aprox. 1 oz. per 2,500 gal.) every 5-7 days after initial treatment. Uniform distribution is necessary. Pour this product all around pool and throughout the pool water for maximum effectiveness. This product is compatible with

those chemicals normally used to treat pools and is effective at both acid and alkaline pH. This product can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix this product with concentrated dry or liquid chlorine products.

TO CALCULATE GALLONAGE FOR ROUND OR OVAL POOLS: Multiply diameter x diameter x average depth (all in feet) x 5.9 = gallons.
FOR RECTANGULAR POOLS: Multiply length x width x average depth (all in feet) x 7.5 = gallons.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.
STORAGE: Keep container closed and in cool place when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. All pesticides should be kept out of reach of children and stored away from food.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. **If Empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
