Subject: Labeling Notification per Pesticide Registration Notice (PRN) 98-10 - Adding Optional Marketing Statements
Product Name: PRO ALGAECIDE
Admin Number: 3432-31
EPA Receipt Date: 03/10/2025
Action Case Number: 00646765

Dear Daniel Rein:

The U.S. Environmental Protection Agency is in receipt of your application for notification under Pesticide Registration Notice 98-10 for the above referenced product. The EPA has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The labeling submitted with this application has been stamped "Notification" and will be placed in our records.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act and is subject to review by the EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

If you have questions, please contact Terria Northern via email at northern.terria@epa.gov.

Sincerely,

Terria Northern, RM Team 34

PRO ALGAECIDE

[Alternate Brand Name: Solutions Prevent Prevent]

EFFECTIVE AGAINST GREEN, BLACK & MUSTARD ALGAE

- NO FOAMING
- NO STAINING
- NO DISCOLORATION
- NO METALS

[NON-METALLIC]

[NON-FOAMING, IDEAL FOR POOLS WITH ATTACHED SPAS]

[ALGAECIDE FOR USE IN SWIMMING POOLS]

[NON-FOAMING ALGAE PREVENTATIVE]

[PREVENTS ALL TYPES OF ALGAE]

[ALGAE CONTROL FOR SWIMMING POOLS]

[NON-FOAMING]

[ONCE-A-WEEK*] {APPLICATION FREQUENCY PER SWIMMING POOL

ALGAECIDE MAINTENANCE DIRECTIONS.}

[*APPROXIMATE ADDITION RATE. PLEASE REFER TO DIRECTIONS FOR
USE.]

[ALGICIDE][ALGAECIDE]]

[ALGAE CONTROL FOR SPAS]

[PREVENTS ALL TYPES OF ALGAE]

[FOR SPAS]

[WINTER [ALGICIDE][ALGAECIDE]]

[PREVENTS ALL TYPES OF ALGAE]

ACTIVE INGREDIENT

Poly [oxyethylene (dimethyliminio)

ethylene-(dimethyliminio)

ethylene dichloride]..... 30%

OTHER INGREDIENT 70%

TOTAL 100%

This product contains 2.88 lbs. of active ingredient per gallon and weighs 8.97 lbs. per gallon

KEEP OUT OF REACH OF CHILDREN

CAUTION

See [back][side] panel for additional precautions and First Aid.

EPA REG. NO. 3432-31

EPA EST. NO. 3432-PA-1

Net Cont: 1 qt.

Mfg. by: N. Jonas & Co., Inc. • Bensalem, PA 19020

NOTIFICATION

3432-31

The applicant has certified that no
changes, other than those reported to
the Agency have been made to the
labeling. The Agency acknowledges
this notification by letter dated:

07/17/2025

PRECAUTIONARY STATEMENT**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Harmful if swallowed. Avoid breathing vapors. Avoid contact with skin, eyes, or clothing.

FIRST AID	
IF SWALLOWED	<ul style="list-style-type: none">• Call a poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to by a poison control center or doctor.• Do not give anything by mouth to an unconscious person.
IF INHALED	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.• Call a poison control center or doctor for further treatment advice.
IF ON SKIN OR CLOTHING	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
IF IN EYES	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	

(If container size is less than 5 gallons, use the following Environmental Hazards statement)

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms.

(If container size is 5 gallons or larger, use the following Environmental Hazards statement)

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of National Pollutant Discharge Elimination Systems (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Users are recommended to wear waterproof or chemical-resistant gloves when applying this product to pools.

This product is used to prevent and control the growth of algae, including so called "black algae", in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using this product. For pools having visible growth of algae, add an initial dose of 24 to 36 oz. per 10,000 gal. water and remove settled algae debris by cleaning (vacuuming). For treatment of freshly cleaned and filled pool, add initial dose 14 to 24 ozs. per 10,000 gal. pool water. To maintain pools free of visible algae growth, subsequent additions of 4 1/2 ozs. per 10,000 gal. (approx. 1 oz. per 2,500 gal.) should be used every 5-7 days after initial treatment. Uniform distribution is necessary. Pour this product all around pool and throughout the pool water for maximum effectiveness. This

product is compatible with those chemicals normally used to treat pools and is effective at both acid and alkaline pH. This product can be used in pools treated with chlorine chemicals and may reduce the amount of those chemicals normally required. However, do not mix this product with concentrated dry or liquid chlorine products.

Before draining a treated pool, contact your local sanitary sewer and storm drain authorities and follow their discharge instructions. Do not discharge treated pool water to any location that flows to a gutter or storm drain or natural water body unless discharge is allowed by state and local authorities.

TO CALCULATE GALLONAGE FOR ROUND OR OVAL POOLS: Multiply diameter x diameter x average depth (all in feet) x 5.9 = gallons.

FOR RECTANGULAR POOLS: Multiply length x width x average depth (all in feet) x 7.5 = gallons.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Keep container closed and in cool place when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. All pesticides should be kept out of reach of children and stored away from food.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. **If Empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
