Subject Diamond San-Brom
EPA Reg # 3432-58
Amendment Date September 19, 2012
Receipt Date September 20, 2012

Dear Ms McCombie

This acknowledges the receipt of your Amendment application dated September 19, 2012 in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended

Proposed Label Amendment

The initial submission was to update the Storage and Disposal Statement in compliance with PR Notice 2007-4 for Diamond San-Brom product (EPA Reg # 3432-58) through Notification for non-refillable containers of 1 gallon or less containers for homeowners and residential uses The proposed label dated September 19, 2012 (pin punched 9/20/12) Since the last stamped label for this product was dated 3/12/2002, it was suggested to upgrade and amend the label to comply with the current up to date label requirements Then, the registrant submitted a revised amended label date September 26, 2012 (pin punched 9/26/12) for this product This amendment included revisions of the First Aid and Precautionary Statements (including Hazards to Humans and Domestic Animals, Physical and Chemical Hazards, and Environmental hazards) apart from the Storage Disposal Statement for homeowners and residential uses

General Comment

Based on the review of the material submitted, the amendment (label dated 9/26/12) for Diamond San-Brom (EPA Reg# 3432-58) **is acceptable**

A copy of the accepted stamped label is enclosed for your record Please submit one copy of your final printed label/labeling before distributing or selling the product bearing the revised label/labeling

This amendment and this letter have been inserted in your file for future reference

If you have any questions or comments concerning this letter, please contact liem.david@epa.gov or call (703) 305-1284

Sincerely

Have the product container or label with you when calling a poison control center or doctor or going for treatment In case of emergency call the Poison Control Center at 1-800-222-1222	

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION Harmful if swallowed Avoid contact with eyes skin or clothing May cause eye and skin irritation May cause respiratory tract irritation if inhaled Wash thoroughly with soap and water after handling and before eating drinking chewing gum using tobacco or using the toilet

(NOTE TO REVIEWER Per PR Notice 1995 1 and 1993 10, since the container size is less than 5 gallons no effluent discharge statement is necessary and only the following Environmental Hazards statement is required)

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms

PHYSICAL AND CHEMICAL HAZARDS

Do not mix with acids or oxidizers

4/4

This product when used in conjunction with SANI START is an effective disinfectant treatment for Spas and Hot Tubs SANI-BROM is compatible with most chemicals normally used to treat spa and hot tub water such as sanitizers acids bases and algicides

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

For initial treatment add 8 oz (1 cup) of SANI-BROM for each 500 gallons of water Immediately add 8 oz (1 cup) for each 500 gallons of water of SANI-START to release the bromine Check pH of water with pH of Test Kit and adjust to 7.4-7.8 when necessary Each day use Bromine Test Kit and check bromine reading which should be 3-5 ppm If lower add 4 oz (1/2 cup) SANI-START for each 500 gallons of water Circulate the water while adding to assure rapid and thorough mixing After 15 minutes recheck bromine level and add additional SANI-START if still necessary (Below 3 ppm) Check pH level every day and maintain at 7.4-7.8 in order to prevent corrosion of metal parts Since bromine level is affected by water temperature and bather load check often and maintain bromine level in the 3-5 ppm range Do not use pool when residual is above this level At the end of each day add 4 oz (1/2 cup) of SANI-START for each 500 gallons of water before turning off pump Once a week add 2 oz of SANI-BROM for each 500 gallons of water

(NOTE TO REVIEWER This product is sold in nonrefillable containers of 1 gallon or less for homeowner/residential uses only)

STORAGE AND DISPOSAL

Do not contaminate food or feed by storage disposal or cleaning of equipment
CONTAINER DISPOSAL Nonrefillable container Do not reuse or refill this container Offer for recycling if available If Empty Do not reuse this container Place in trash or offer for recycling if available If Partly Filled Call your local solid waste agency for disposal instructions Never place unused product down any indoor or outdoor drain

To Calculate Capacity of Spa or Hot Tub Rectangular Multiply length x width x depth of Spa (all in feet) x 7.5 = gallons Round Multiply diameter x diameter x depth of Spa (all in feet) x 5.9 = gallons
