ATTACHMENT TO EPA REGISTRATION NOTICE

EPA Registration No. 3432-61 Date Issued JUN 21 1985

Company Name M. Jones & Co., Inc.

Product Name Onward Maxi-Chlor 3 Inch Chlorinating Tablets

The following requirements or revisions apply to the label which was accepted with this registration notice:

- 1 An edited copy of the proposed label is enclosed indicating the revisions which must be made to your label to satisfy our requirements.
- 2 The registration number which has been assigned to this product must appear on the label as EPA Reg. No. 3432-61
- 3 This registration is being issued with the understanding that the derivative of cyanuric acid which is contained in this product is under scrutiny for potential adverse effects to humans. There may be some regulatory actions directed against all registered products containing this chemical as an active ingredient at some time in the future.
- 4 The labels which will be used for this product in channels of trade must reflect these revisions.
- 5 Five copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.
- 6 The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Federal Regulations. Failure to do so may result in rejection of the labels.

MAXI-CLOR slow Dissolve

SUPER 3 INCH CHLORINATING TABLETS

concentrate stabilized

Chlorinating
super chlorine tablets for water disinfection. 24 hr. chlorine residual for round the clock activity. completely soluble, no mineral scale build-up.

Active Ingredients:

Trichloro-S-Triazinetrione 99%

Inert Ingredient 1%

approximately 90% available chlorine

EPA Reg. No. 3432-

EPA Est. No. 3432-PA-1

ACCEPTED
with COMMENTS
in EPA Letter Dated:

JUN 21 1985

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

3432-61

DANGER: KEEP OUT OF REACH OF CHILDREN. See side panel for First Aid and additional precautions

NET WT. 20 LBS.

Mfg. by N. JONAS & CO., INC. Bensalem, PA 19020

SIDE PANEL

This product is meant to help keep bacteria and algae under control in swimming pools.

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DIRECTIONS FOR USE:

1. Before using this product make sure that there is a sufficient chlorine residual (3.5-5.0 ppm) in the swimming pool by superchlorination. Next day add 1 lb. Chlorine Stabilizer (Booster) for each 4,000 gallons of water.

2. Place approximately 1 super tablet for 6800 gals. water per week either into a tablet dispenser and float it in the pool or directly into skimmer basket if one is available. In no case should tablets be thrown directly into or on a vinyl liner as bleaching will result. 3. A good pool water test kit should be used at least once a day to check both pH and chlorine levels. pH should be between 7.2-7.6 and adjusted as necessary. Chlorine should be between 1-2 ppm. If chlorine level is too low add more tablets until there is enough to maintain the 1-2 ppm.

This product can be used in any dispenser that uses Chlorine Concentrate tablets or sticks. Should not be mixed with any other kind of chlorine as an explosion could result. NOTE: During heavy bathing loads, very hot weather, rain, etc. and at least once a week, chlorine residual should be raised to 3.5-5 ppm with granular chlorine (superchlorinated). It is preferable to do this after swimming day so that pool will have a chance to come back to the 1-2 ppm before swimmers go back in next day.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

STORAGE AND DISPOSAL: Keep product dry in tightly closed container when not in use. Store in a cool dry, well ventilated area away from heat or open flame. In case of decomposition isolate container, if possible, and flood with large amounts of water to dissolve all material before discarding. Place in trash collection or dispose in approved landfill area, or bury in a safe place.
