Date of

Issuance: FEB 4 1997

3432-68

Term of Issuance: Conditional

Name of Pesticide Product:

Winter Powder Algaecide

NOTICE OF PESTICIDE:

XX Registration  
— Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

N. Jonas and Company, Inc.  
4520 Adams Circle  
P.O. Box 425  
Bensalem, PA 19020-0425

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required of your product under FIFRA section 4.
2. Add the phrase "EPA Registration No. 3432-68" to your label before you release the product for shipment.

Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

The Storage Stability Data (Series 63-17) that was previously requested in a letter dated September 19, 1996, is not needed at this time, but, according to PR 92-5, you should have it available if we should need it at a later date.

KEEP OUT OF REACH OF CHILDREN

CAUTION

SEE STATEMENT OF PRACTICAL TREATMENT AND OTHER PRECAUTIONS ON SIDE PANELS BEFORE OPENING CONTAINER

#### STATEMENT OF PRACTICAL TREATMENT

Call physician for eye contact, inhalation, or ingestion.

IF IN EYES: Wash immediately (under lids) with copious amounts of water for 15 minutes.

IF ON SKIN: Wash thoroughly with water. See physician for dermatitis.

IF INHALED: Remove to fresh air, call physician. Give artificial respiration if necessary.

IF SWALLOWED: Give two glasses milk of magnesia, milk or water. Call physician, as gastric lavage may be indicated.

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Avoid mixing Winter Powder Algaecide with other chemicals as dangerous reactions may occur. Add Winter Powder Algaecide *only* to a clean and algae free pool. For maximum results vacuum or remove by hand any debris and super chlorinate pool before adding Winter Powder Algaecide.. Use 16 ounces (1 lb.) of Winter Powder Algaecide for every 10,000 gallons to be treated. Start with a clean, empty bucket. Put *at least* 2 gallons of water in the bucket and then add 1 lb. of Winter Powder Algaecide.

Stir thoroughly to dissolve all particles. Pour off liquid and, if necessary, dilute any remaining solids with additional water. Pour solution into the skimmer making sure that pump is activated, skimmer contains no other material, and water flows freely into skimmer. For optimal distribution, allow filter to run for several hours. If filtration system is not in operation, pour solution into pool while moving around the perimeter. Disburse solution as extensively as possible. When winterizing is complete, cover pool.

#### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Keep container closed when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. All pesticides should be kept out of reach of children and stored away from food.

**DISPOSAL:** Do not re-use empty container. Rinse thoroughly. Securely wrap in several layers of newspaper and discard in trash.
