OFFICE OF CHEMICAL SAFETY AND POLLUTION PREVENTION

Wendy A. McCombie Agent for N. Jonas & Company, Inc. C/o Lewis & Harrison 122 C Street NW, Suite 740 Washington, DC 20001

Subject:

Algicil 2+ 2

EPA Reg. No.: 3432-74

Notification Date: February 23, 2011 EPA Receipt Date: February 23, 2011

Dear Ms. McCombie:

This acknowledges receipt of your notification, submitted under the provisions of FIFRA section 3 (c) 9 and PR Notice 98-10.

#### **Proposed Notification**

- Correcting typographical error to restore omission in the ingredient statement;
- Adding reference statement for additional precautionary statements.

#### **General Comments**

Based on review of submitted materials, your notification to make minor text revisions to your label is acceptable and has been made a part of the records on file.

If you have questions concerning this letter, then please contact me at (703) 308-6416 or by email at <u>campbell-mcfarlane.jacqueline@epa.gov</u> or Killian Swift at (703) 308-6346 or by email at <u>swift.killian@epa.gov</u>.

Sincerely,

acqueline Campbell-McFarlane

Algicil 2+2 (EPA Reg. No. 3432-74)

Notification of Minor Label Changes per PR Notices 1998-10

This Submission Is Not Subject To PRIA Fees

Dear Ms. Campbell-MacFarlane:

As Agent for N. Jonas & Company Inc. ("Jonas"), I am submitting a Notification under the provisions of PR Notices 1998-10 to advise the Agency of minor changes to the label for **Algicil 2+2 (EPA Reg. No. 3432-74)**.

The label changes are as follows:

1) Correction of a typographical error to restore a line inadvertently omitted from the ingredient statement on the label submitted with the Notification approved by EPA on January 13, 2011. As you can see on the March 5, 2002 and March 27, 2002 EPA stamped-accepted labels (copies attached) for Algicil 2+2, the following line is supposed to appear at the end of the ingredient statement:

Contains Poly-dimethyl dialyl ammonium chloride.....20%

The purpose of this Notification is to restore this language to the label.

2) Revise the existing front panel reference statement to read, "See [side] [back] panel for additional precautions [and First Aid]." Algicil 2+2 is not a Toxicity Category 1 product for any route of exposure, so the First Aid box is not required to appear on the front panel. The minor revision to the existing statement provides greater clarification as to the location of all the precautionary language.

Please find enclosed the following documents to support the notification for Algicil 2+2:

- Pesticide Application Form; and,
- Three (3) copies of the revised product label with the changes highlighted.

Insofar as I am the authorized "Contact Point" and "Company Agent" for Jonas, please relay all correspondence directly to me at 122 C Street NW, Suite 740, Washington DC 20001. If you have any questions, please contact me by telephone at 202-393-3903 ext. 11 or by e-mail at wmccombie@lewisharrison.com.

Thank you very much for your cooperation.

Sincerely,

Wendy A. McCombie

for,

N. Jonas & Company Inc.

#### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS:** CAUTION. Harmful if swallowed. Avoid breathing vapors. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water.

FIRST AID					
IF INHALED:	Move person to fresh air.				
	•If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.				
	Call a poison control center or doctor for further treatment advice.				
IF ON SKIN OR ON	Take off contaminated clothing.				
CLOTHING:	•Rinse skin immediately with plenty of water for 15-20 minutes.				
	Call a poison control center or doctor for treatment advice.				
IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes.  Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.				
	Call a poison control center or doctor for treatment advice.				
IF SWALLOWED:	Call a poison control center or doctor immediately for treatment advice.     Have person sip a glass of water if able to swallow.     Do not induce vomiting unless told to do so by a poison control center or doctor.				
	•Do not give anything by mouth to an unconscious person.				
	ave the product container or label with you when calling a poison control center or doctor, or going for treatment.				

(NOTE TO REVIEWER: If container size is less than 5 gallons, use the following Environmental Hazards statement)
[ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms.]
(NOTE TO REVIEWER: If container size is 5 gallons or larger, use the following Environmental Hazards statement)
[ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of National Pollutant Discharge Elimination Systems (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do no discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.]

DIRECTIONS USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- 1. INITIAL TREATMENT FOR THE PREVENTION OF ALGAE GROWTH IN CLEAR POOL WATER: Use 8 to 12 oz. of Algicil 2+2 for every 10,000 gallons of water.
- 2. INITIAL TREATMENT FOR POOLS WITH VISIBLE ESTABLISHED ALGAE: Use 16 to 24 oz. of Algicil 2+2 for every 10,000 gallons of water. Remove dead, settled algae by vacuuming.
- **3. BLACK ALGAE CONTROL:** Apply 16 fluid oz. of Algicil 2+2 for every 10,000 gallons of water when algae first appears. Brush spots daily to remove dead algae. Vacuum out settled algae.
- **4. TO MAINTAIN POOLS FREE OF VISIBLE ALGAE GROWTH:** Use 4 to 8 oz. of Algicil 2+2 for every 10,000 gallons of water weekly.

#### STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Keep container closed and in a cool place when not in use. Leaking or damaged containers should be placed in a plastic bag and discarded in trash. Mop up spills with clear water. All pesticides should be kept out of reach of children and stored away from food.

PESTICIDE DISPOSAL: Wastes resulting from the use of this pesticide may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. If Empty: Do not reuse this container. Place in trash or offer for recycling if available. If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

#### HOW TO DETERMINE POOL CAPACITY (IN U.S. GALLONS)

For Rectangular Pools: average depth x length x width (all in feet) x 7.5 = gallons.

For Round Pools: Diameter of pool x diameter of pool x average depth (all in feet) x 5.9 = gallons.
