Denver, CO 80202

READ FOLLOWING CAREFULLY BEFORE APPLICATION

USE THIS PRODUCT ONLY FOR THE INDICATED PURPOSES AND AT RECOMMENDED DOSAGE.

This product is designed for the pre-emergence control of annual weed grasses, such as smooth and hairy crabgrass, foxtail, and foxtail spike, in newly seeded or established plantings of the following grasses: any bluegrass, fescue, redtop, wheat, or rye. It is also effective against annual weeds such as the following: annual ryegrass, Pennycross, Florida Hybrid, and Florida Hybrid C-19. Do not use on other grasses or on any other plants, as injury to turf may result.

Effect on golf course greens may vary with turf management practices and environmental conditions; therefore its use on golf greens is not recommended, as injury to turf may result. Treatment will not control annual weeds, Pennycross, clover, or most broadleaf weeds.

This product may be applied at any stage of turf development, including new seedlings.

At least 1/2 inch of water must be provided by rainfall or irrigation within 3 days after treatment in order to carry the chemical into the root zone of germinating weeds.

DIRECTIONS FOR APPLYING

WHEN TO APPLY: Use in the spring before crabgrass germinates.

AMOUNT TO APPLY:

BARE GROUND SEEDINGS: In starting a new lawn or filling in open areas in established lawns in the spring, apply 9 lbs. per 2500 sq. ft. (3.6 lbs. per 1000 sq. ft.) as the last operation over newly seeded areas. When overseeding to thicken an existing lawn, follow directions for established lawns. Follow regular watering practices for good seed germination.

ESTABLISHED LAWNS: Apply 9 lbs. per 2500 sq. ft. (3.6 lbs. per 1000 sq. ft.)

HOW TO APPLY: Use a fertilizer spreader per guide shown below.

SPREADER SETTING GUIDE

Spreader settings are approximate and are based on an average walking speed. Reduce setting for slower speed, raise setting for higher speed.

Make	New Seeded Area Setting	Established Lawn Setting
Wards 1091, 1093, 1095	6 3/4	7 1/2
Wards 1080, 1081	4 1/2	5 1/4
Central (Recessed Wheel)	5 1/4	7 1/2
Jackson & Sears	5	6 1/2
Lawn Beauty	6 1/4	8
Scott	5 1/2	7 1/4

CAUTION

Avoid contact with eyes, nose, throat, and skin. Avoid inhalation or contact with skin, eyes, or clothing. Do not contaminate feed or foodstuffs.

NOTICE

USS Agri-Chemicals, Inc. can accept no responsibility for injury to persons or animals or for loss or damage to lawns or other property resulting from failure to follow directions or to observe cautions printed on this package.
