STATEMENT OF PRACTICAL TREATMENT

- IF SWALLOWED - Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. DO NOT INDUCE VOMITING. Vomiting may cause aspiration pneumonia.
- IF INHALED - Remove victim to fresh air. Apply artificial respiration if indicated.
- IF ON SKIN - Remove contaminated clothing and wash affected areas with soap and water.
- IF IN EYES - Flush eyes with plenty of water. Get medical attention immediately.

DIRECTIONS FOR USE

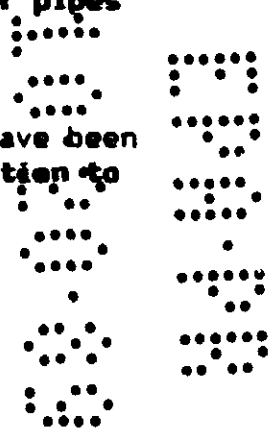

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

This product when used according to direction will kill roaches, waterbugs, ants and certain other insects by contact and residual action. It should be sprayed or applied in order that surfaces will be completely wet after application. It is neither necessary nor desirable to treat large areas. Spot treat only those places where insects rest, run or hide. Repeat application as needed.

ROACHES, WATERBUGS Apply to cracks, surfaces, or other areas where the insects have been seen resting, running, or hiding; around drainboards, under sinks around cabinets, baseboards, and moldings. Repeat treatments as needed to give continued control.

ANTS Apply on window frames and door sills where these pests may enter the premises. Treat the openings around electrical outlets, heat ducts, water pipes and baseboards where ants may enter the room from the wall spaces and partitions. Repeat treatment as needed to give continued control.

SILVERFISH: Apply to cracks, surfaces or other areas where the insects have been hiding, running or resting. Repeat as necessary, paying particular attention to areas behind shelving, book cases, and storage areas.

Copy for Front (continued)

CARPET BEETLES Apply to areas of the floor and baseboards where these insects are found. Work into cracks and under carpets so that a residue will be present. Treat as necessary to give continued control.

SPIDERS Apply as a wet spray to infested areas of baseboards and corners. Also treat outside window and door frames, under eaves and other hiding places to prevent entry into the household. Repeat treatments as necessary to give continued control.

STORAGE & DISPOSAL

(NOTE: Heading must be minimum 12 Pt. type size)

STORAGE: Do not contaminate water, food or feed by storage or disposal.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

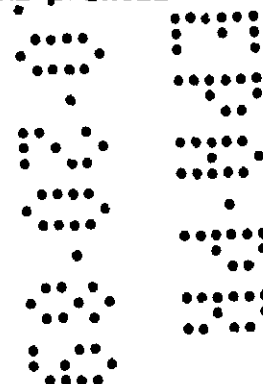

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

HARMFUL IF SWALLOWED. Avoid prolonged and repeated inhalation or contact with skin. Do not contaminate food, utensils, dishes or drinking water. Do not apply to humans, pets or birds, or near fish bowls. Keep out of reach of children. Do not use or store near heat or open flame. Wash thoroughly after using.

NOTICE: LaRoche Industries Inc. can accept no responsibility for injury to persons or animals or for loss or damage to crops, soil or other property resulting from failure to follow directions for use or to observe cautions printed on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FOR USE ON ORNAMENTAL TURF

To control sod webworm, apply with any suitable spray equipment, using 1 pint of this concentrate mixed with sufficient water to cover 2,000 square feet (in most cases, mix 2 tablespoonfuls per gallon of water or 1 pint in 16 gallons). DO NOT apply water after application.

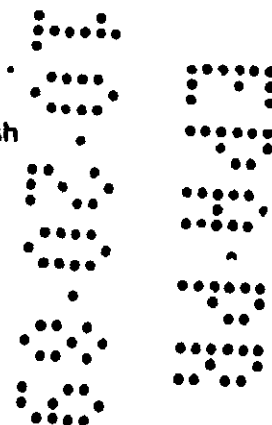

TIMING OF APPLICATION When possible, apply at the beginning of a 48 hour period during which the lawn will not be watered and rain is not expected. Make an initial application ahead of any expected infestation and as required during infestations.

STORAGE AND DISPOSAL

(Note: Heading must be minimum 12 Pt. type size)

STORAGE Do not contaminate water, food or feed by storage or disposal.

DISPOSAL Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Do not breathe spray mist. Do not get on skin, in eyes or on clothing. Contact with skin may cause toxic symptoms. Wash thoroughly after using. Do not allow children or pets on treated areas until grass is dry. Avoid contamination of feed and foodstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

Do not store or use near heat or open flame.

NOTICE: LaRoche Industries Inc. can accept no responsibility for injury to persons or animals or for loss or damage to turf, soil or other property resulting from failure to follow directions for use or to observe cautions printed on this label.
