

THIODAN MANEB SULFUR

ACTIVE INGREDIENTS:

• Endosulfan (hexachlorohexahydromethano-2, 4, 3-benzodioxathiepin oxide)	3.0%
Maneb (Manganese ethylenebisdithiocarbamate)	6.0%
(Manganese equivalent as metallic 1.23%)	
Sulfur	27.9%
INERT INGREDIENTS:	63.1%

® Thiodan is a registered trademark of Canadian Hoechst Limited
Thiodan U.S. Pat No. 2,799,685

CAUTION: KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing of dust. Avoid contact with skin, eyes or clothing. In case of contact with skin or eyes, flush with plenty of water; for eyes, get medical attention. Wash with soap and water after handling and before eating or smoking; wear clean clothing. Avoid contamination of feed or food stuffs. Do not apply of allow to drift to areas occupied by unprotected humans or beneficial animals. CAUTION: Workers entering treated fields within 24 hours of application should wear protective clothing.

NOTE TO PHYSICIANS: Endosulfan is a central nervous system stimulant. There is no specific antidote. Barbituric acid Derivatives may be used for convulsions. Treat symptomatically.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

This product is toxic to bees and should not be applied when bees are actively visiting the area. Protection information may be obtained from your Cooperative Agricultural Extension Service.

DISPOSE OF WASTES: by burying in non-crop lands away from water supplies. Container should be disposed of by burying with wastes or by burning. Keep out of smoke.

IMPORTANT: Keep away from fire or sparks. Never allow Maneb to become wet during storage. This may lead to certain chemical changes which will reduce effectiveness of Maneb as a fungicide and create vapors which may be flammable. Keep container closed when not in use. Use dust mixture as soon as possible after preparation.

DIRECTION FOR USE: Read entire label and Notice Warranty before using Thiodan Maneb Sulfur. Apply the listed amounts per acre when insects of disease first appear and repeat as required to maintain effective control.
