# THIODAN

# MANEB SULFUR

**ACTIVE INGREDIENTS:**

- Thiodan (active ingredient) 3.0%
- Maneb (active ingredient) 27.9%
- Inert ingredients 69.1%

**INERT INGREDIENTS:**

Contains 27.9% Maneb Sulfur. Can administer to plants.

**KEEP OUT OF REACH OF CHILDREN**  
**CAUTION**

**STATEMENT OF PRACTICAL TREATMENT**

Use with a mixture of water. Do not use with other pesticides.

See label for directions.

MANEB SULFUR CHEMICAL

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in cool, dry location. Do not store in direct, hot sunlight. Keep away from fire or sparks. Never allow Maneb to become wet during storage. This may lead to certain chemical change which will reduce the effectiveness of Maneb as a fungicide and create vapors which may be flammable. Keep container closed when not in use. Use dust mixture as soon as possible after preparation.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

**DIRECTIONS FOR USE**

This is a violation of the Federal law to use this product in a manner inconsistent with its labeling. Do not use this product at higher than recommended rate.

When apply this product in a manner as to a direct contact with drift expose workers or other persons. The application must be made by unprotected.
