CONTENT 1 GALLON

ACCEPTED
 23 APR 1975
 UNDER THE FEDERAL INSECTICIDE
 FUNGICIDE AND RODENTICIDE ACT
 FOR ECONOMIC POISON REGISTER-
 ED UNDER NO. 3486-5

Aqueous liquid copper salt solution for protecting wood, lines, nets, ropes, canvas, etc. For protection against dry rot, mildew, fungus growths, borers, termites or beetles. Wood that is to come in contact with the soil should receive at least two flowing coats by brush or spray method or dipped for at least 2 minutes. Fish lines, nets, ropes, canvas and similar items should be run through undiluted solution slowly or dipped loosely for approximately 3 to 10 minutes to secure the penetration and coverage desired.

This product is toxic to fish. Keep out of lakes, streams and ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

CAUTION: Contains Mineral Spirits. Harmful or fatal if swallowed. Call a physician immediately. Do not reuse empty container. Destroy by pouring contents into water.

Keep away from children and electrical equipment. Use only well-ventilated areas.
