NET WEIGHT 14 AV OZ

SPRA KILL contains BAYGON[®] insecticide for fast, long-lasting killing action.

DIRECTIONS

IMPORTANT—HOLD CONTAINER IN UPRIGHT POSITION TO SPRAY. SHAKE WELL. Direct spray from face. Hold container 6 to 12 inches from surface and spray at a rate of 1 foot per second or until surfaces are wet. If reinfestations occur, repeat applications as necessary.

ROACHES, WATERBUGS, CRICKETS, AND CENTIPEDES: Thoroughly spray cracks, crevices, baseboards and around garbage containers and other places where insects habitate.

ANTS: Spray ant trails, window frames, door sills and other places where ants may enter. Spray directly on ant hills or on swarming ants outdoors only.

FLIES, MOSQUITOES, GNATS, WASPS: Apply to screens, walls, door and window frames, light fixtures and other outdoor surfaces where insects congregate.

CLOVER MITES, SOWBUGS, AND EARWIGS: Spray window and door sills and other points of entry—outside only. Apply also to outside foundation and porches to ground level.

SILVERFISH AND FIREBRATS: Apply to cracks, baseboards, behind shelving, bookcases and other storage areas.

PAPER NEST WASPS AND MUD DAUBERS: Apply a wet spray to the nests after dark when all pests have returned to their nests.

SCORPIONS AND SPIDERS: Spray directly on pests when possible. Treat surfaces of outbuildings and garages where pests hide or congregate. Spray points of entry such as window sills and along crevices.

BROWN DOG TICKS: Remove all bedding. Thoroughly spray cracks, crevices and areas where pets normally lie down. Do not spray on pets. Allow the sprayed areas to dry thoroughly. Replace bedding before permitting use by animals. For dog kennels, apply to outside runways, window sills and ledges.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Harmful if swallowed, inhaled, or absorbed through skin. Avoid inhalation and skin contact; wash thoroughly after using. If swallowed induce vomiting with one tablespoon of salt in warm water. Call physician immediately. Atropine is antidotal. Do not use on household pets or human beings. Do not contaminate feed, foodstuffs, dishes or utensils. Do not allow children on treated areas until dry. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams, or ponds. Do not allow pets on treated areas until dry. Avoid excessive wetting of plastic vinyl or asphalt tile floor surfaces. Apply this product only as specified on this label. Do not apply to rugs, carpets, draperies, wallpaper or similar materials that may be stained.

WARNING: FLAMMABLE! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.
