

ACTIVE INGREDIENTS 100%

Petroleum Distillates

2-Butoxy Ethanol

N-Octyl Sulfoxide of Isosafrole and Related Compounds*

Pyrethrins

*Equivalent to 0.005% n-octyl sulfoxide of isosafrole 0.03% related compounds.

EFFECTIVE AGAINST: Kills house flies, mosquitoes, black flies, sand flies, punkies, stable flies, horse flies, vinegar flies, and fungus gnats; close all doors and windows and thoroughly spray all parts of the room, particularly toward the ceiling; filling the room with a fine mist. Keep room closed for 15 minutes or as long as possible. Turn off air conditioning and ventilating systems.

To kill spiders, centipedes, pill bugs, millipedes, crickets, wasps, bees, black flies, sand flies, punkies, stable flies, horse flies, green bottle flies, and cluster flies; hit directly with spray.

To kill mosquito larvae, spray a fine mist over the water in which they are breeding so as to cover the surface with an oily film. Repeat regularly for effective control. NOTE: REMOVE Pets, Birds, and Fish bowls before spraying.

18-pt.
