

DEC 14 1992

Mr. W.B. Edwards  
Luseaux Laboratories, Inc.  
16816 South Gramercy Place  
Gardena, CA 90247

Dear Mr. Edwards:

Subject: Luseaux Chlo-Rins-Tabs  
EPA Registration No. 3522-18  
Your Resubmission Dated July 10, 1992

This is in response to your resubmission of revised product labeling for the subject registration.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the following comments. A stamped copy is enclosed for your records. Five (5) copies of the finished labeling must be submitted before you release the product for shipment.

- 1. Revise the "Human Hazards" to read as follows:

Precautionary Statements  
Hazards to Humans and Domestic Animals

Danger: Corrosive. Causes eye and skin damage. Harmful if swallowed. Do not breathe dust or fumes. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling.

- 2. In the Statement of Practical Treatment, revise and highlight the subheadings: "If in contact with skin" to read "If on skin" and "For eyes" to "If in eyes."

with COMMENTS  
in EPA Letter Dated:

~~DEC 14 1982~~

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.

3522-18

**LUSEAUX**

**CHLO-RINS-TABS**  
SANITIZING TABLETS

NET WEIGHT:

200 TABLETS

Active Ingredients:

Sodium Dichloro-S-Triazinotriene Dihydrate

Inert Ingredients:

**KEEP OUT OF REACH OF CHILDREN**  
**DANGER**  
**STRONG OXIDANT**

**PHYSICAL AND CHEMICAL HAZARDS!**

Add material only to water. Contact with heat, moisture, chemicals, foreign materials or contamination from any source may result in fire or explosion. Decomposition gives off toxic fumes.

**HUMAN HAZARDS:** Do not breathe dust or fumes. Avoid contact with eyes and skin. Do not swallow.

**STATEMENT OF PRACTICAL TREATMENT:** Do not breathe dust or fumes. Avoid contact with eyes and skin. If in contact with skin, wash thoroughly with water. For eyes, flush with water and immediately get medical attention.

**IF SWALLOWED:** Drink promptly a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.

**DIRECTIONS FOR USE**  
**IT'S A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT**  
**IN MANNER INCONSISTENT WITH ITS LABELING**

**FOR USE IN RESTAURANTS AND BARS** on Glasses, Dishes, Kitchen Ware, Coffee Urns, Knives, Forks, and Spoons, (Do not use on Sterling Silver or Silver plate)

**CLEANING DIRECTIONS:** Remove gross food particles and soil by pre-flush, or pre-scrape and, when necessary, pre-soak treatment. Then wash wares with a good detergent followed by a potable water rinse before sanitizing.

**SANITIZING INSTRUCTIONS:** Immerse wares in the sanitizing rinse for 1 minute then drain solution from wares and air dry. Prepare sanitizing solution by adding 1 tablet to 2 1/2 gallons of water. That will provide 100 ppm of available chlorine. Do not allow concentration to fall below 50 ppm. Consult your local health department to be sure of ppm of available chlorine and contact time required. Prepare new solution daily or more often if solution becomes diluted or soiled.

**STORAGE AND DISPOSAL:** Store in a cool dry area away from direct sunlight. In case of spill, flood area with large quantities of water. Product or rinsate that cannot be used should be diluted with water and disposed of in a sanitary sewer. Do not contaminate food or feed by storage, disposal or cleaning of equipment.

**CONTAINER DISPOSAL:** Rinse empty container thoroughly with water and return to manufacturer or discard by placing in trash collection or burying in a approved landfill.
