NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit, or have all data required for registration, registration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment:

- a. Add the phrase "EPA Registration No. 3546-23."
- b. The statement "Keep Out Of Reach Of Children" must appear prominently on the front panel with the warning printing parallel with the other printing on the front panel.
- c. The word "Caution" must appear on the front panel directly under the statement "Keep Out Of Reach Of Children."

- d. The precautionary labeling section must be changed to read:

For external use only. Harmful if swallowed. Avoid breathing spray mist. May cause eye irritation. Avoid contact with eyes, lips or open cuts. Do not expose treated skin or clothing to fire, sparks or flame until liquid has evaporated. Do not allow children to rub eyes if hands have been treated.

- e. Add a Statement of Practical Treatment to read:

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED - Call a physician or Poison Control Center.

IF ON SKIN - May cause skin reactions in rare cases. If so, wash thoroughly with soap and water. Get medical attention if irritation persists.

IF IN EYES - Flush with plenty of water. Get medical attention if irritation persists.

- f. The statement "See Back Panel For Additional Precautionary Statements" must appear on the front panel if all of the precautionary labeling does not appear on the front panel.
- g. Add the statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling" to the label.
- h. The EPA Establishment Number must appear on the label.
- i. The ingredient statement must appear in columnar form. The terms active ingredients and inert ingredients must be given equal prominence and aligned to the same margin. Each active ingredient must also be aligned to the same margin.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
