SPIC AND SPAN PINE

DIRECTIONS FOR HOUSEHOLD USE:

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

WHERE TO USE

Spic and Span Pine cleans all no-wax and
waxable floors, washable kitchen and bathroom
surfaces, and other household items from which
odors can develop.

Dilute -- Mix 1/4 cup per 1/2 bucket (1 gallon) of warm
water. Rinse, if desired, for best shine.

Full Strength -- Pour on tough soil or onto sponge. Wipe
and rinse. Not recommended for full strength use on no-wax floors.

NOTE: On painted walls and finished wood surfaces, use diluted
only. For painted walls and wallpaper test a small area for
washability before use. Not recommended for carpets, upholstery,
aluminum, windows, mirrors, or cars.

TO DISINFECT

Clean surfaces thoroughly. Apply full-strength to kill odor-
causing bacteria on all washable, hard non-porous house-
hold surfaces. Let soak 10 minutes, then rinse.

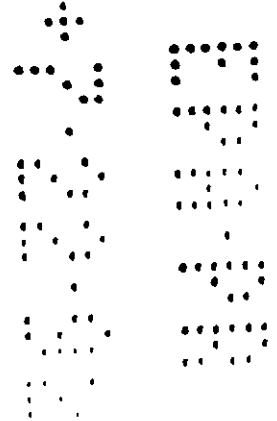

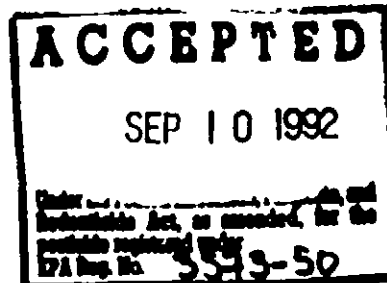

CAUTION: May cause eye irritation. In case of eye contact,
flush thoroughly with water. If irritation persists, see a physi-
cian. If swallowed, drink a glassful of water to dilute.

STORAGE/DISPOSAL: Store in a cool place. Do not reuse
bottle. Rinse bottle and discard in trash.

Bottle made from 100% post-consumer recycled plastic

- o Spic and Span Pine:
- o Contains no phosphorus
- o Contains no chlorine bleach or ammonia
- o Contains biodegradable surfactant
- o EPA Reg. No. 3573-50
