<p>NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p>							
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p> <p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p> <p>Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>THE REGISTRATION OF THIS PESTICIDE IS SUBJECT TO THE FOLLOWING CONDITIONS:</p> <p>(1) It is understood that you will submit and/or collect data required for registration or reregistration of your product under Section 3(c)(5) of the FIFRA Act and the regulations of the Administrator. The data shall be submitted to the Agency before the product is released for shipment as required by PP Notice 82-2, of June 18, 1982.</p> <p>(2) You will submit five copies of your final approved labels complying with the requirements or revisions specified in the attachment to this registration notice. The label is not to be submitted to the Agency before the product is released for shipment as required by PP Notice 82-2, of June 18, 1982.</p> <p>A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(c) of the FIFRA.</p> <div style="text-align: right; margin-top: 20px;"> A. E. ATTACHMENT TO EPA REGISTRATION NOTICE

EPA Registration No. 3573-51 Date Issued 2-5-86 ✓

Company Name The Procter & Gamble Company

Product Name New Now Safer For Surfaces Comet Cleanser with Chlorinol

The following requirements or revisions apply to the label which was accepted with this registration notice:

1. The registration number which has been assigned to this product must appear on the label as EPA Reg. No. 3573-51.
2. One year storage and stability data must be submitted upon completion.
3. The labels which will be used for this product in channels of trade must reflect these revisions.
4. Five copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.
5. The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Federal Regulations. If the label does not satisfy these requirements it will be rejected.
