The Procter & Gamble Company
 Regulatory Services
 11520 Reed Hartman Highway
 Cincinnati, OH 45241

FEB 22 1990

Attention: A.W. Thornton, Ph.D.

Subject: Product Name: Comet Cleanser with Chlorinol
 EPA Reg. No.: 3573-51
 Amendment of: November 10, 1989

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. A stamped copy is enclosed for your records. Five copies of the finished labeling must be submitted before the product is released for shipment.

You must either list all the inert ingredients or delete the Inert Ingredients Statement. If you choose to list them all, then do the following:

- (a) Delete the word "include" from the sentence, "Inert ingredients include...."
- (b) In place of the words , , , , use correct chemical names.
- (c) Place the Inert Ingredients Statement immediately below, and parallel to, the Active Ingredients Statement.
