UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

Mr. Michael J. Irwin
The Procter & Gamble Company
11520 Reed Hartman Highway
Cincinnati, OH 45241-2422

JUN 18 1992

Dear Mr. Irwin:

Subject: Comet Cleanser With Chlorinol
EPA Registration No. 3573-51
Your Amendment Dated January 30, 1992

Your submission of revised basic product labeling for the subject product has completed review. The following comments apply.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following comments.

1. Incorporate the biodegradability claim (something similar to "biodegradable surfactants") in with the inert ingredients substatement and remove the claim from the back panel.

2. Change the statement:

"CONTAINS NO PHOSPHOROUS"

to read:

"Contains no phosphorous."

The statement may not be highlighted (eg. all capital letters) and should be in the same type size as the other text in the label.

CONCURRENCES

SYMBOL							
SURNAME							
DATE							

The information on product compatibility with the recycled package material has been placed in the subject product's registration file.

A stamped copy of the labeling is enclosed for your records. Five copies of the final printed labels must be submitted for our records.

If you have any questions about these comments, please call Bill Wooge at (703) 305-5295.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'Ruth G. Douglas', written in a cursive style.

TO CLEAN:
Sprinkle Comet
on wet surface or
sponge, rub and
rinse. For extra
tough stains like
pot marks,
sprinkle on wet

Comet onto bowl surfaces, scour thoroughly,
let stand 10 minutes, and flush. Comet
wipes out most household germs including
Staph. Salmonella and Pseudomonas.

surface, let stand one minute, rub
and rinse.

NOTE: ** On delicate surfaces like plastic, imitation marble and ap-
pliance enamel, use plenty of water, rub gently and rinse. If you
are cleaning an unfamiliar surface, test a small area first.
Do not use on silver, painted surfaces, walls, soft plastic,
aluminum or rubber items (except tires). Do not mix
with other products, especially toilet bowl
cleaners or products that contain ammonia.
