

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

3573-51

Date of Issuance:

FEB 25 2000

Term of Issuance:

Name of Pesticide Product:

Comet Cleanser with Chlorinol®

NOTICE OF PESTICIDE:
 Registration
 X Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Proctor & Gamble
Sharon Woods Technical Center
11530 Reed Hartman Highway
Cincinnati, Ohio 45241-2422

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the above named product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the following labeling changes before you release the product for shipment:

1. Revise the "Precautionary Statements" to read: Hazards to Humans and Domestic Animals. CAUTION: causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.
2. Align the "Ingredient Statement" to read:

ACTIVE INGREDIENT
Sodium dichloro-s-triazinetrione dihydrate.... 0.9%
INERT INGREDIENTS*..... 99.1%
TOTAL 100.0%

Page 1 of 2

4. Signature of Approving Official:

Robert S. Brennis, PM 32

Date:

FEB 25 2000

3. Place the "Statement of Practical Treatment" (First Aid) on the front panel.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

[Professional Line: Use Comet Cleanser with Chlorinol® to clean TOUGH GREASY FOOD STAINS, DIRT AND SOAP SCUM.]

*[Professional Line: Comet's NO SCRATCH FORMULA ** contains no harsh abrasives.]*

STERLING® Swirl Gloss tubs and showers ELKAY® Stainless steel sinks

DIRECTIONS FOR HOUSEHOLD USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

[Professional Line: DISINFECTS WHILE YOU CLEAN]

BATHROOM

TO DISINFECT NON-POROUS SURFACES:
Sprinkle Comet on wet surface, rub gently to cleanse, let stand 5 minutes, and rinse. To disinfect toilet bowls: flush, sprinkle 4 oz. of

KITCHEN

picture of kitchen

TO CLEAN:

For most problems, sprinkle Comet on wet surface or sponge, let sit for 15 seconds, rub and rinse. If problem remains,

[Plastic: This text appears above that to left.]

Comet onto bowl surfaces, scour thoroughly, let stand 10 minutes, and flush. Comet wipes out most household germs including Staph, Salmonella and Pseudomonas.

wet surface, sprinkle on Comet, let stand for one minute, rub and rinse.

[Professional Line: To clean extra tough stains like pot marks or to bleach out greasy food stains, sprinkle on wet surface, let stand one minute, scour and rinse. Repeat if necessary.]

NOTE: ** On delicate surfaces like plastic, imitation marble and appliance enamel, use plenty of water, rub gently and rinse. If you are cleaning an unfamiliar surface, test a small area first. Do not use on silver, painted surfaces, walls, soft plastic, aluminum or rubber items (except tires). Do not mix with other products, especially toilet bowl cleaners or products that contain ammonia. *[Professional Line: see below]*
