AUG - 6 2009

OFFICE OF PREVENTION, PESTICIDES AND TOXIC SUBSTANCES

Mary Joy Stuart Regulatory Affairs The Procter & Gamble Company 5299 Spring Grove Avenue Cincinnati, OH 45217

FILE COPY

Subject: Comet Cleanser with Chlorinol EPA Registration No. 3573-51 Application Date: July 20, 2009 Receipt Date: July 21, 2009

Dear Ms. Stuart:

This acknowledges receipt of your notification, submitted under the provision of PR Notice 98-10, FIFRA section 3(c)9.

# **Proposed Notification:**

Revision to Storage and Disposal Statement per PR Notice 2007-4

# **General Comments:**

Based on a review of the material submitted, the following comment applies:

The notification is acceptable and a copy has been inserted in your file for future reference.

Should you have any questions or comments concerning this letter, please contact me at (703) 308-6345.

Sincerely,

Wanda Y. Henson/ Product Reviewer (32) Regulatory Management Branch II Antimicrobials Division (7510P)

July 20, 2009

),"

Document Processing Desk (NOTIF) Antimicrobial Division (7504P) U. S. Environmental Protection Agency Room S-4900, One Potomac Yard 2777 South Crystal Drive Arlington, VA 22202-4501 Attn: Ms. Emily Mitchell (PM# 32)

# Subject: Comet Cleanser with Chlorinol (EPA Reg. No. 3573-51) Notification of Label Change per PR Notice 2007-4

Dear Ms. Mitchell:

Per PR Notice 2007-4, The Procter & Gamble Company is submitting the following notification for the addition of container disposal language identical to that contained in 40 CFR 156.140. Under the 40 CFR 156.140(5)(xi), this product qualifies for the exemption for the first two required statements. This is because the metal lid is crimped onto the fiberboard can, and it would be destroyed if reuse of the container was attempted. The recycling/reconditioning statement (proposed update) will be added to the packaging once approved, along with the existing batch code.

The change proposed is as follows:

| Location | Current Master Label             | Proposed Update                   |
|----------|----------------------------------|-----------------------------------|
| Page 1   | Discard empty container in trash | Offer for recycling if available. |

#### **ENCLOSURES**

In support of this request, the following materials are enclosed:

- 1. Application for Pesticide Registration (EPA Form 8570-1) containing required certification statement to accompany a notification per PR Notice 2007-4
- 2. One (1) copy of the revised Comet Cleanser with Chlorinol (EPA Reg. No. 3573-51) Master Label, dated 07.17.09, with update in red

Thank you for your assistance in the processing of this notification. If you have any questions concerning the enclosed materials, please contact me at (513) 627-6537 or stuart.m@pg.com.

Sincerely Mary Joy Stuart

DISINFECTS WHILE YOU CLEAN

# **DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**TO DISINFECT NON-POROUS SURFACES:** Sprinkle Comet (this product) on wet surface, rub gently to cleanse, let stand 5 minutes, and rinse. To disinfect toilet bowls: flush, sprinkle 4 oz. of Comet (this product) onto bowl surfaces, scour thoroughly, let stand 10 minutes, and flush. Comet (This product) wipes out most household germs including Staph, Salmonella and Pseudomonas.

**TO CLEAN:** For most problems, sprinkle Comet (this product) on wet surface or sponge, let sit for 15 seconds, rub and rinse. If problem remains, wet surface, sprinkle on Comet (this product), let stand for one minute, rub and rinse. To clean extra tough stains like pot marks or to bleach out greasy food stains, sprinkle on wet surface, let stand on minute, scour and rinse. Repeat if necessary.

**NOTE:** \*\* On delicate surfaces like plastic, imitation marble and appliance enamel, use plenty of water, rub gently and rinse. If you are cleaning an unfamiliar surface, test a small area first. Do not use on sliver, painted surfaces, walls, soft plastic, aluminum or rubber items (except tires). Do not mix with other products, especially toilet bowl cleaners or products that contain ammonia [optional] as irritating fumes may result. [**Professional Line:** Do Not Mix with other products, especially acids, toilet bowl cleaners, or products that contain ammonia [optional] as irritating fumes may result.]
