DIRECTIONS FOR HOUSEHOLD AND INSTITUTIONAL USE:

It is a violation of Federal law to use this product
in a manner inconsistent with its labeling.

- Lift flap and lock into arrow on top of sprayer.
- Spray soiled surface until thoroughly covered.
- Wipe with a damp cloth ...for a shiny clean surface!

picture of
sprayer top

For best results: On tougher soils, let stand for several minutes before wiping.

[Refill:

- Refill 17 oz. sprayer size from this convenient refill container.
- Use *only* in Comet DISINFECTING BATHROOM CLEANER spray bottle.
- Do not dilute.]

picture of
refill process

[Professional Line: Spray soiled surface and wipe with a damp cloth or sponge.
On tougher soils allow to soak. For daily cleaning, dilute 1 part product to 3 parts water
(1-8 oz. cup per 32 oz. spray bottle). Spray and wipe. On tougher soils, use product full strength.]

[Professional Line Refill: Refill into properly labeled spray bottle.]

TO DISINFECT (hard non-porous surfaces): Spray product
on surface and let stand for 10 minutes before wiping.
For highly soiled areas, clean before following disinfecting directions.

Basic USAGE INSTRUCTIONS are shown below. If you need additional help, consult your manager.

A continuación figuran las indicaciones para el uso básico. Si necesita ayuda adicional, consulte a su gerente.

This product is a medical environment disinfectant that kills a broad spectrum of germs including Salmonella, Staphylococcus, Pseudomonas and odor-causing bacteria including Proteus Mirabilis and E. Coli.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Refill into properly labeled spray bottle. Spray soiled surface and wipe with a damp cloth or sponge. On tougher soils allow to soak. For daily cleaning, dilute 1 part product to 3 parts water (1-8 oz. cup per 32 oz. spray bottle). Spray and wipe. On tougher soils, use product full strength.

TO DISINFECT (hard, non-porous surfaces): Spray product on surface and let stand 10 minutes before wiping. For highly soiled areas, clean before following disinfecting directions.

CAUTION: Causes eye irritation. Avoid contact with eyes. May be harmful if swallowed. Do not mix with bleach or mildew stain removers as irritating fumes may result.

FIRST AID: In case of eye contact, flush thoroughly with water. If irritation persists, call a physician. If swallowed, drink a glass of water and call a physician (product contains an alcohol ethoxylate).

INSTRUCCIONES DE USO: Es violación de la Ley Federal usar este producto en manera distinta a lo rotulado. Verter en un frasco atomizador rotulado correctamente. Rocíar la superficie sucia y limpiar con un paño o una esponja humedecida. Para manchas más difíciles, dejar en remojo. Para la limpieza diaria, diluir una parte del producto con tres partes de agua (1 taza de 8 oz. por botella atomizadora de 32 oz.). Rocíar y limpiar. Para manchas más difíciles, usar el producto puro.

PARA DISINFECTAR (superficies duras, no porosas): Rocíar el producto en la superficie y dejar 10 minutos antes de limpiar. Para áreas extremadamente sucias, limpiar antes de seguir las instrucciones para desinfectar.

ADVERTENCIA: Causa irritación en los ojos. Evitar el contacto con los ojos. Puede ser peligroso si se traga. No mezclar con blanqueos o removedores de manchas de moho ya que pueden producir humos irritantes.

PRIMEROS AUXILIOS: En caso de contacto con los ojos, lavar meticulosamente con agua. Llamar a un médico si la irritación persiste. Si se traga, tomar un vaso de agua y llamar a un médico (el producto contiene un etoxilado de alcohol).
