U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Antimicrobials Division (7510W)  
401 M St., S.W.  
Washington, D.C. 20460

EPA Reg-  
Number:  
3573-58

Date of Issuance:  
OCT 15 1998

NOTICE OF PESTICIDE:  
  x   Registration  
       Reregistration

Term of Issuance: Expires  
October 15, 2000

Name of Pesticide Product: Gain  
with Bleach II

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

The Proctor and Gamble Company  
11530 Reed Hartman Highway  
Cincinnati, OH 45241

Note: Changes in labeling differing from that accepted in connection with this registration must be submitted to and accepted by the Agency before use of the label in commerce. In any correspondence on this product, always refer to the registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(C) provided that you:

1. Make the following label changes:
  - a. Revise the EPA Registration Number to read, "EPA Reg. No. 3573-58".
  - b. In order to satisfy the product chemistry data data requirements, a one year Storage and Stability Study must be submitted to the Agency for our review.
  - c. Please place the appropriate EPA Establishment No. on the product labeling.

Signature of Approving Official:

*DHE*

Marshall Swindell Product Manager Team  
33/RMB1/Antimicrobial Division

Date:

OCT 15 1998

d. Revise the Precautionary Statements subheadings to read as follows:

Precautionary Statements

Hazards to Humans

e. Place the precautionary headings above the statement, "Caution: Causes.....irritation. Avoid.....eyes. Harmful....swallowed."

f. Revise your First Aid statement to read :

IF SWALLOWED: Drink 1 to 2 glasses of water. Call physician and Poison Control Center

IF IN EYES: In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists.

2. The data listed below must be submitted to the Agency using NOBS as the test material. In order to satisfy this requirement, this data must be reviewed and found acceptable.

- 1. Hydrolysis study (161-1)
- 2. Avian oral LD50 study(Bobwhite preferred) (71-1)
- 3. Mutagenicity (other genotoxic effects) (84-4)
- 4. Acute neurotoxicity study (81-8)
- 5. 90-Day nerotoxicity study (82-7)
- 6. Immunotoxicity study (82-7)
- 7. Human exposure data

875.1700  
875.2800

3. Acute toxicity studies for bluegill sunfish and Daphnia magna previously referenced must be submitted for re-view by the Agency. If these studies are found unac-ceptable to support registration then additional acute aquatic studies may be required for NOBS. Further, the test material (white powder) must be adequately iden-tified.

4. Series 61, 62, and 63 product chemistry data must be submitted for sodium perborate.

5. Submit the studies mentioned above within 15 months (i.e., January 5<sup>th</sup>, 2000) of the date stamped on this Notice of Conditional Registration:

6. This conditional registration will expire automatically on October 15, 2000. The data required in this registration notice must be submitted, reviewed and found acceptable in order to continue this registration.

7. Submit two (2) copies of the revised final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Sincerely yours,

DHE

**GAIN with BLEACH TOUGH STAIN REMOVAL GUIDE**

**GARMENT CARE:** Follow garment care label instructions. Gain with Bleach is safe for all washable colorfast fabrics. If garment label reads "Do Not Bleach" or "Do not Oxygen Bleach" it may be susceptible to color change when laundered. Consult Colorfastness Test (below) for care of these garments, or to test any garment for color-fastness before washing.

**COLORFASTNESS TEST:**

- Dissolve 2 tablespoons of Gain with Bleach in one cup of hot water
- Soak hidden area for 20 minutes, rinse in warm water, let dry.
- Compare with rest of garment. Proceed if color is unchanged.

If a color change is detected, wash garment separately in cold water.

**PRE-SOAK:** First test for colorfastness (see test above). If garment passes the test, soak up to 30 minutes using 1/2 scoop of detergent per gallon of water in a bucket or 1 1/2 scoops in your washer. Use warmest water as recommended on garment care label. Then drain washer, refill with water, add 1 1/2 scoops of detergent and wash as usual.

**CHOCOLATE:** Pre-treat or pre-soak with detergent in warm water, then launder.

**DYE TRANSFER:** Launder with detergent and chlorine bleach if safe for fabric. Some fabrics may need a fabric color remover (Follow package directions when using any laundry product).

**GROUND-IN DIRT, MUD, BLOOD, FRUIT JUICE:** Rinse in cold water, then pre-soak remaining stains with detergent. Launder as usual.

**LIPSTICK:** Pre-treat, rinse and launder with detergent.

**GRASS STAINS:** Pre-treat or pre-soak, then launder with detergent.

**PERSPIRATION:** Pre-treat, then pre-soak with detergent. Launder with detergent and chlorine bleach if safe for fabric. Prevent buildup by pre-treating with detergent every other washing.

GREASY FOOD STAINS, KETCHUP, TOMATO SAUCE: Pre-treat, then launder with detergent.

6047

BABY FORMULA: Pre-soak with detergent in warm water, then launder.

**SIDE PANEL 2****GAIN with BLEACH**

\*Inert Ingredients include biodegradable surfactants (anionic and nonionic), enzymes, whitening agent and fabric brightening agent.

This package contains 33 uses (as measured to the lower fill line or the scoop). The precise number of uses from each package will vary slightly with the method of scooping and the setting during shipment.

Individual packages may weight slightly more or less than the marked weight due to normal variations incurred with high speed packaging machines, but each day's production will average slightly above marked weight.

**PRECAUTIONARY STATEMENTS****HAZARDS TO HUMANS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes. Harmful if swallowed.

**FIRST AID: IF SWALLOWED:** Drink 1 or 2 glasses of water. Call a physician or Poison Control Center.

**IF IN EYES:** In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists.

**STORAGE/DISPOSAL:** Store in a cool, dry place. Do not reuse container. Discard empty container in trash.
