U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (7504C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg. Number:  
3573-58

Date of Issuance:  
OCT 13 2000

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration

Term of Issuance: Expires on  
October 15, 2001

Name of Pesticide Product:  
Gain with Bleach II

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Procter & Gamble Company  
Sharon Woods Technical Center  
11530 Reed Hartman Highway  
Cincinnati, Ohio 45241-2422

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 3573-58".
- b. Place the appropriate EPA Establishment No. on the product labeling.

Signature of Approving Official:

Marshall Swindell, Product Manager 33,  
RMBI, AD

Date:

OCT 13 2000

c. Revise the Precautionary Statements subheadings to read as follows:

Precautionary Statements  
Hazards to Humans

d. Place the precautionary heading above the statements, "Caution: Causes . . . irritation. Avoid . . . eyes. Harmful . . . Swallowed."

e. Revise your First Aid statement to read:

IF SWALLOWED: Drink 1 to 2 glasses of water.  
Call physician and Poison Control Center

IF IN EYES: In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists.

3. Submit the following studies within 7 months of the date of this registration notice (i.e., May 12, 2001).

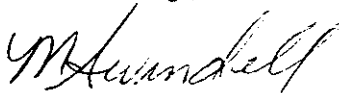

- Hydrolysis study (GLN 161-1)
- Human Exposure study GLNs 875.1700 and 875.2800)
- Mutagenicity study (other genotoxic effects) (GLN 84-4)
- 90-Day Neurotoxicity (GLN 82-7)
- Acute Neurotoxicity (GLN 81-8)

This conditional registration will expire automatically on October 15, 2001. If you fail to satisfy the conditions imposed in the registration, EPA may issue a Notice to Cancel under section 6(e) of FIFRA. In order for the registration of this product to continue, the data and information described above, must be submitted, reviewed, and found acceptable. In addition, the Agency must make a determination under FIFRA Section 2 (bb) (2) that these uses will not result in unreasonable adverse effects. If the Agency is unable to make this determination, then the registration of these uses for incorporation into approved food contact polymers will expire.

The Agency accepts your request for a one year time extension for the conditional registration of the this product. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Marshall Swindell  
Product Manager 33  
Regulatory Management Branch I  
Antimicrobial Division(7505C)

**GAIN with BLEACH TOUGH STAIN REMOVAL GUIDE**

**GARMENT CARE:** Follow garment care label instructions. Gain with Bleach is safe for all washable colorfast fabrics. If garment label reads "Do Not Bleach" or "Do not Oxygen Bleach" it may be susceptible to color change when laundered. Consult Colorfastness Test (below) for care of these garments, or to test any garment for color-fastness before washing.

**COLORFASTNESS TEST:**

- Dissolve 2 tablespoons of Gain with Bleach in one cup of hot water. Soak hidden area for 20 minutes, rinse in warm water, let dry.
  - Compare with rest of garment. Proceed if color is unchanged.
- If a color change is detected, wash garment separately in cold water.

**PRE-SOAK:** First test for colorfastness (see test above). If garment passes the test, soak up to 30 minutes using 1/2 scoop of detergent per gallon of water in a bucket or 1 1/2 scoops in your washer. Use warmest water as recommended on garment care label. Then drain washer, refill with water, add 1 1/2 scoops of detergent and wash as usual.

**CHOCOLATE:** Pre-treat or pre-soak with detergent in warm water, then launder.

**DYE TRANSFER:** Launder with detergent and chlorine bleach if safe for fabric. Some fabrics may need a fabric color remover (Follow package directions when using any laundry product).

**GROUND-IN DIRT, MUD, BLOOD, FRUIT JUICE:** Rinse in cold water, then pre-soak remaining stains with detergent. Launder as usual.

**LIPSTICK:** Pre-treat, rinse and launder with detergent.

**GRASS STAINS:** Pre-treat or pre-soak, then launder with detergent.

**PERSPIRATION:** Pre-treat, then pre-soak with detergent. Launder with detergent and chlorine bleach if safe for fabric. Prevent buildup by pre-treating with detergent every other washing.

GAIN with BLEACH

\*Inert Ingredients include biodegradable surfactants (anionic and nonionic), enzymes, whitening agent and fabric brightening agent.

This package contains 33 uses (as measured to the lower fill line on the scoop). The precise number of uses from each package will vary slightly with the method of scooping and the settling during shipment.

Individual packages may weight slightly more or less than the marked weight due to normal variations incurred with high speed packaging machines, but each day's production will average slightly above marked weight.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS**

CAUTION: Causes moderate eye irritation. Avoid contact with eyes. Harmful if swallowed.

FIRST AID: IF SWALLOWED: Drink 1 or 2 glasses of water. Call a physician or Poison Control Center.

IF IN EYES: In case of contact, immediately flush eyes with plenty of water. Get medical attention if irritation persists.

STORAGE/DISPOSAL: Store in a cool, dry place. Do not reuse container. Discard empty container in trash.
