Mary Joy Stuart
The Proctor & Gamble Company
5299 Spring Grove Avenue
Cincinnati, OH 45217-1025

Subject: Mr. Clean
EPA Registration Number: 3573-63
Application Date: September 27, 2010
Receipt Date: September 28, 2010

Dear Ms. Stuart:

This letter acknowledges receipt of your notification, submitted under the provisions of FIFRA section 3 (c) 9 and PR Notice 98-10.

Proposed Notification

- Update Container Disposal statements per PR Notice 2007-4
- Respond to Agency letter dated April 15, 2010

General Comments

Based on a review of the submitted materials, your notification to update the label per Agency letter dated April 15, 2010 is acceptable and apart of the records on file.

Should you have further questions concerning this letter, please contact me by telephone at (703) 308-6416 or by e-mail at campbell-mcfarlane.jacqueline@epa.gov or Killian Swift by telephone at (703) 308-6346 or by email at swift.killian@epa.gov. When submitting information or data in response to this letter, a copy of this letter should accompany the submission to facilitate processing.

Sincerely,

Jacqueline Campbell-McFarlane

Notification to update per comments from EPA acceptance letter dated April 15, 2010. This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Attn: Ms. Jacqueline McFarlane (PM# 34)

**Subject: Mr. Clean (EPA Reg. No. 3573-63)
Notification of to Address EPA Letter Dated April 15, 2010
Including Updates to PR Notice 2007-4 Text**

Dear Ms. McFarlane:

Per the direction of the Agency's letter dated April 15, 2010 and your email dated September 17, 2010, The Procter & Gamble Company is submitting the following notification to update items addressed in the April letter along with updates to the PR Notice 2007-4 text as outlined in your emails. Because of the length of the additional text under the Storage and Disposal section, the Master Label has shifted all text after the Storage and Disposal text by one page. This will be important for your review as revisions required from the April 15th letter will now refer to one page beyond what is listed ('On page 3, 5th bullet point' is now 'On page 4, the 5th bullet point' for example).

In addition to the updates detailed in the April letter, changes to the cleaning directions were expanded to include both full strength (as directed by the Agency letter) and dilute cleaning as is appropriate with the product form and where it is used.

The proposed changes to the Master Label do not impact the product chemistry.

ENCLOSURES

In support of this request, the following materials are enclosed:

1. Application for Pesticide Registration (EPA Form 8570-1) for Mr. Clean (EPA Reg. No. 3573-63)
2. One (1) copy of the revised Mr. Clean Master Label (EPA Reg. No. 3573-63), dated Sept. 20, 2010, with updates shown in red
3. One (1) copy of the revised Mr. Clean Master Label (EPA Reg. No. 3573-63), dated Sept. 20, 2010 with changes incorporated

BACK LABEL

MR. CLEAN®
LIMITED DISINFECTANT

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN: Apply full strength with cloth, sponge or sprayer. Wipe and rinse surface with water.
TO CLEAN FLOORS/CARS/FINISHED WOOD/DILUTE CLEANING: Mix ¼ cup per gallon (1/2 bucket) of water. Usually no need to rinse. CARS/FINISHED WOOD: Use diluted only.
TOUGH CLEANING JOBS: Pour directly on tough soil or on sponge. Wipe and rinse.
SPRAY SOLUTION FOR CLEANING: Dilute 1 part Mr. Clean with 1 part water.
TO CLEAN TOILET BOWL SURFACES: Pour in bowl and brush.

DISINFECTING (hard, non-porous surfaces): Apply full-strength product on the surface and let stand for 10 minutes before wiping. For highly soiled areas, clean before following disinfecting directions.
***MR. CLEAN kills *Salmonella enterica*, *Escherichia coli* and *Proteus mirabilis* in 10 minutes. Effective against Gram-negative bacteria only.**

Mr. Clean cleans and kills bacteria*/disinfects [on] the following surfaces:

Kitchen**	Bathrooms	Tough Jobs
[kitchen icon]	[bathroom icon]	[garbage can, pet bed icon]
Finished Floors, Walls, Appliances, Sinks, Counter-Tops, Garbage Disposals	Toilet Exterior[s], Tubs, Sealed Fiberglass, Diaper Pails, Doorknobs	Garbage Cans, Pet Areas, Vinyl Siding
Not for carpets or aluminum surfaces. **A rinse is required for surfaces in direct contact with food.		

Not for use on food contact surfaces including dishes, glassware, cookware and utensils.

PRECAUTIONARY STATEMENT: Hazards To Humans And Domestic Animals
CAUTION: Causes eye irritation. Avoid contact with eyes.

FIRST AID: IF IN EYES, hold eyes open and rinse gently with water for 15-20 min. If wearing contacts, remove lenses after first 5 min., and continue rinsing. If irritation persists, call a physician.
IF SWALLOWED, drink 1-2 glasses of water and call a physician or poison control center (product contains alcohol ethoxylates) – do not induce vomiting unless they tell you to do so.
Have the product container or label with you when calling or going for treatment.

STORAGE/DISPOSAL:

For Household and Residential Uses

STORAGE/DISPOSAL: Store in a cool place. Nonrefillable container. Do not reuse or refill this container. Wrap (container) and put in trash or offer for recycling if available.

For Commercial, Institutional and Industrial Uses

Pesticide Storage: Store in a cool place.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Clean container promptly after emptying. Triple rinse as follows: Empty the remaining contents into application equipment of mix tank and drain for 10 seconds after the flow begins to drip. Fill the container ¼ full with water and recap. Shake for 10 seconds. Pour rinsate into application of mix tank or store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling if available or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.
